## THIS TUESDAY

Division 10 Lt. Governor Stephen Golden will make his official visit. Please keep the attorney jokes to a minimum, unless they are directed to our usual suspect.

We will be having our Board Meeting at the Community Room at 5:30 p.m.

Your editor thanks Mike Miller again for some of the following.

## ROSE FLOAT WORKERS & DIVISION 10

Over 1,150 Rose Float workers for Phoenix Floats were fed by Division 10 both lunch and dinner on Thursday, December 27th. Our club donated \$200.00 and provided servers Chuck Shaw and Mike Miller. Past Lt. Gov. J.R. Ray did a bang up job putting the meals together and our Lt. Gov. Stephen Golden and Karen were joined by many members of their home club, Altadena-Crown City.

Other past Lt. Governors and members of other Kiwanis Clubs in our Division were there to help. Many of the volunteers were members of our Sponsored Youth, i.e. our Key Club.

Float Designer's Name: Michelle Lofthouse

Float Description: Kiwanis International presents "Serving Children Worldwide" with a charming storybook ship depicting a celebration of travelers across the ocean. The riders are dressed in costumes native to various countries where children are served by Kiwanis International. The ship is under the command of a gigantic bunny as it takes eager youngsters on a voyage of adventure and discovery. The colorful vessel rides across floral waves as its youthful crew, all members of Kiwanis International youth groups, while a mouse of a first mate, armed with his trusty map, provides navigation. Construction Height: 17 ft. Width: 18 ft. Length: 35 ft.

## Flowering Details:

The bunny at the prow of the float is created with white chrysanthemums, his hat features erianthus and blue statice. The sails are decorated with fine ground orange lentil and yellow strawflower, with patches of parsley flake and statice attached with onion seed stitches. The ship's hull is made up of onion seed, light and dark flax seed and gold clover. The lantern features blue statice glass and a frame of yellow statice. The ropes are created wrapped sisal and the rope ladder is light tan flax seed. The mouse is sesame and flax with a nose of pink carnation petals. He's wearing a shirt of onion seed and rice powder, and is holding a statice and red bean map. The waves are created with gypsophila and iris, white roses, dendrobium orchids and gerbera with sprays of coco sticks.

Animation: The bunny's arms move.

## INTERNATIONAL PRESIDENT'S VISIT TO PASADENA

Kiwanis International President Dave Curry attended the Pasadena Club luncheon on Saturday, December 29th and I have been told that our flying Dutchman, Jim Enkelaar, also attended. How he could afford the \$40.00 rubber chicken meal is beyond me, but perhaps Jim can report on the luncheon at our next meeting.

## INTERCLUB WITH THE ROSE FLOAT PASADENA CLUB

Peggy Miller and her husband Ed along with their two daughters joined Chuck Shaw and Mike Miller for a meeting and tri tip dinner with the Rose Float Pasadena Club. A fourth member was needed and was supplied by (pick one) the International President, District Gov. Oscar Knight, Lt. Gov. Stephen Golden, and Past Gov Reid Allen, and Past Lt. Govs Bob Lee, Craig Wallace, and God knows who else. The meeting was short, but interesting and tours were provided of the Phoenix Float facility at Rosemont Pavilion.

## JOE STARTIN

Honorary Member Joe Startin and Mary have moved to the Eastern Star Home in Yorba Linda. Their address is 16850 Bastanchury Rd, Yorba Linda, CA 92886-1608. Joe will be 91 on February 20th. Joe has cancer but his spirits are high. Those of you that remember Joe please take the time to send him a note. He does not hear well so phone calls are very difficult for him.

## KIWANIS KALANDAR

February 23, 2008 - The Big Pancake Breakfast

## QUOTE OF THE WEEK

"Everywhere I go I'm asked if I think the university stifles writers. My opinion is that they don't stifle enough of them. There's many a best-seller that could have been prevented by a good teacher."  
- Flannery O'Connor

See you Tuesday, Jerry
