## "THE CAMELLIA CLUB"

TEMPLE CITY CALIFORNIA

Chartered August 8, 1939

**JANUARY 11, 2011 TUESDAY 12:00 P.M. VOL. 72 NO. 15**

## THIS TUESDAY

Brett Taylor, a Project Engineer with JPL will clue us in on his latest project.

## LAST TUESDAY

Jim Olson is a LPL registered principal and President of Olson Investment Management which specializes in retirement plans and financial planning for both companies and individuals. Jim partners with ADP in the sales process, from initial strategy meetings, to investment selection and compliance, and he conducts all the educational and plan review meetings.

He were able to give him a little teasing because he was wearing a lapel pin with the big "R" on it. You can check out any financial advisors background by going to [www.finra.org](http://www.finra.org)

Something you need to ask yourself is are you dealing with a salesperson who appears interested only in selling you their latest "hot tip", or are you in the hands of a true advisor, who has suggested a number of solutions to reach your financial goals.

While helping feed the Key Clubbers at the Rosemont Pavilion, Jerry Backstrom admitted the attempted stabbing of Dan Arrighi's hand. Interestingly, it had something to do with water. Mike Lepore celebrated his birthday AGAIN. Please mark your calendar now for the Celebration of Life Memorial Service for Chuck Souder on Saturday, January 15th at 2 p.m. at Live Oak Park. Please wear your Kiwanis shirt. The family request that our members be ushers. You are invited to share your thoughts and memories of Chuck at: [tributes.com](http://tributes.com). Type in his name, Charles Souder, and his Tribute webpage will appear. In honor of Chuck's service to our country as a former Marine, the directors voted to make a monetary donation to The Blue Star Banner program in Temple City. Thanks to Rich and Pat Wenzel for opening their home for our Board meeting.

## STUDENTS OF THE MONTH

We honored two outstanding students from Oak Avenue Intermediate School. Pictured with the proud students are teachers Mrs. Katie Arrighi and Ms. Marta Bourjeili. Katie just happens to be the daughter-in-law of Dan Arrighi.

Frank is 13 years old, in Mrs. Arrighi's class and enjoys drawing. Frank said, "The best thing about Oak Avenue is playing paddle tennis at lunch, having better pizza than last year, and the nice teachers." The best thing that ever happened was coming to the United States. Personal goals are to have the price of everything drop to \$1.00, have all the cheat codes for every game in the world, get straight A's, and to become better at pen spinning.

Lok Yiu is 12 years old and in Mrs. Arrighi's class. She has a younger sister and enjoys swimming with her family at the beach, or staying home and surfing the web. Lok Yiu said, "The best things about Oak Avenue are the caring staff, school schedule, interesting assemblies and activities." The best thing that ever happened was moving to the United States from Hong Kong. Personal goals are to get her dog back, build a time machine so she can go back and meet her ancestors, go back to Hong Kong when she grows up, get good grades, and attend a fine college.

Aziza is 13 years old and in Ms. Bourjeili's class. She has two brothers and enjoys acting, writing, reading, and sports. Aziza said, "The best things about Oak Avenue are the teachers, dances, and sports." The best thing that ever happened was flying to Chicago alone. Personal goals are to cure global warming, be a actress on a TV show, become rich, and to visit all the states in America.

David is 14 years old and in Ms. Bourjeili's class. He has an older brother and enjoys sports, playing his trumpet, learning, reading, and eating. David said, "The best things about Oak Avenue are the teachers, the great learning environment, and the Principal." The best thing that ever happened is having a caring mother and family. Personal goals are to end racism, build a time machine, go to a good college, to learn everything he can, and help others all the time.

## QUOTE OF THE WEEK

"Everyone is a genius at least once a year. The real geniuses simply have their bright ideas closer together." - Georg Christoph Lichtenberg
