THIS TUESDAY

We will get 3 of Temple City High's finest. Principal Mary Jo Fosselman King (don't forget to ask her about her famous ice cream heritage), Guidance Counselor Deanne Sciarrotta, and Dana Tran, Sophomore Class President.

LAST TUESDAY

We were fortunate to have our own member and Superintendent of Schools, Dr. Chelsea Kang-Smith.

Chelsea has been guiding the district since August 2008. A district is doing real good if they are at the 800 level. Temple City is 867 with Emperor coming in at 925 and Oak Avenue at 897. DDSLC had an increase of 110 points. Temple City High was given the Silver award from US News and World Report as one of the best High Schools in the nation. Enrollment is on the increase.

Good to see Sue Matchett back in action and feeling better. Several members paid for USC Basketball and Football. John Chandler paid for Boston College. Mike Lepore paid \$65 for reaching medicare. Chuck Souder is slowly making progress.

Photo of the Kiwanis float is courtesy of Lt. Governor Jan Robertson. Our float won the Isabella Coleman Trophy. The float is called Above The Rest.

Tickets for our new fundraiser for the Home Theatre System will be available at Tuesday's meeting.

OTHER HAPPENINGS

Thank You's to Honorary Member Winnie Joe from Oak Avenue with a Builder's Club of 57 strong. Also to Richard Wenzel for taking charge of Cloverly's 12 members of K-Kids.

HABITAT FOR HUMANITY

Habitat is working on a house in Monrovia and they are looking for volunteers. The first step is to attend an orientation that will take place Tuesday, January 12 @ 7:00 p.m.. Those interested in attending please contact Jerry Backstrom.

BABY... THINK IT OVER

A few months ago we were treated to a Teen Living Program presented by former member Janice Murasko. The program had a profound impact on Steve Tyre. We are pleased to report that Steve and Monica Tyre have donated \$500 for the purchase of mechanical dolls for this important program at Temple City High. At the Board Meeting, directors voted to give this valuable program another \$300.

STUDENTS OF THE MONTH

We honored two outstanding students from Oak Avenue Intermediate School. Pictured with the proud students is Oak teacher Mr. Randy Marsh and Superintendent Dr. Chelsea Kang-Smith.

Weinkei is 12 years old and has a brother and twin sister named Pookei (who was also a former Student of the Month). Weinkei enjoys drawing, painting, and cooking. Weinkei said, "The best things about Oak are the great Principal, the Adventurer Team, and the fun educational activities." The best thing that ever happened was when she got a laptop computer with a webcam. Personal goals are to prevent global warming, build a home for orphans so they can have a happy life, get straight A's, go to college, and give some money to charity.

Christopher is 12 years old and has one older brother. He enjoys history, science, airplanes, and computers. Christopher said, "The best things about Oak are the great helpful teachers, the large library, and clean campus. The best thing that ever happened was being born. Personal goals are to end all wars, build a soup kitchen, go to college, get a good job, and to succeed in life.

A NOTE FROM MARYVALE

Dear Dr. Chandler and Kiwanis: "Thank you so much for all your hard work for our girls. All your work is truly appreciated. This party is a tradition that the girls look forward to every year. The girls had a wonderful time. They loved their gifts and enjoyed the food. Your kindness is a true gift."
