## PROGRAM

Are we to have another mystery program? NO!

Who knows. Jerry knows! Ben Molnar, retired teacher and Fulbright Scholar will speak to us about his experiences while visiting China. Ben being German, also promised to give us the real scoop on the German school system which I think he is not to fond of.

## LAST WEEK

The financial needs of Temple City Unified District was the subject of a Kiwanis Town Hall.

The Guv, you will remember, would use "Waste" to meet our needs. Guess what, the high powered expert from Florida and the California bi-partisan chief came up with the exactly same numbers and no waste. The Demo idea for financing was an income tax on earners of \$100,000 and up per annum but Gov. Arnold had promised "no taxes" and the special interests he had deplored were the fat cats. He has opted something harder than a tox: Umpteen years of interest. A big trouble is special cookie jar treatment (education for example) so that the legislators and the Gov. can't hammer out who gets what.

## STUDENTS OF THE MONTH

Cloverly teacher Richard Wenzel, brought 4 eager students to be recognized.

Elise Luc thinks the best things about school are learning new incredible things, and meeting wonderful people.

Cecilia Chow likes swimming, her friends and teachers, math, and science. She said the best thing that ever happened to her was being chosen Student of the Month.

Sahar Baharestani enjoys playing the piano, art, video games, and television. Sahar likes to learn new things, math, and recess.

Willie Szeto would like to build a four story home for his family to live in. He wants to do well in school, music, and get good grades.

## OFFICIAL VISIT OF ANOTHER GOV.

Feb. 6, 6:00p.m. Social dinner at 7.

Our Cal-Nev-Ha Governor Les Wixon is one Gov. who can't do any harm. \$25.00. Brookside Country Club, Pasadena. Div. 10 may be in trouble. The rumor is that Monte Vista Grove and Montebello are candidates for calling it quits.

## REPORT ON THE GIANT INTERCLUB

Led by Captain, Maximum Leader, Generalissimo, President Mike Miller, and with Black Elmer driving his van, Bob Tyler, Chuck Shaw, and Yr. Ed. listened to International President Bob Moore emphasize that would be growth continues as we are helping everywhere, making a difference to the children of the world. He did not set the audience on fire; he seemed worn out by all the hoop-la. As to the parade the Temple City band looked very professional and Kiwanis got about a minute on each network.

A confusion expert was brought in to mess up God Bless America by substituting a not very well known verse, as follows:

While the storm clouds gather far across the sea,  
Let us pledge allegiance to a land that's free,  
Let us all be grateful for a land so fair,  
As we raise our voices in a solemn prayer.

The drawing for prizes was super efficient. A lineup of prize bearers in turn gave the numbers to the chairman: immediate delivery.

## AND IN CONCLUSION

The lawyer's son brags to another kid, "My father dictates some words calls it a will and gets about a hundred bucks." "So what," says the second kid, "my father puts down a few words and calls it a sermon. He talks awhile about sin and then after that it takes eight people to collect all the money".

See you Tuesday,
