**JANUARY 13, 2009 TUESDAY 12:15 P.M. VOL. 70 NO. 15**

## THIS TUESDAY

Valarie Floyd, who just happens to be Sue Matchett's personal trainer at 24 hour fitness will be our speaker. Valarie joined the Navy at 18 and has been deployed to Kuwait two times and has a bundle of stories to share with us. We might also have a rebuttal by Mr. Happy #1's personal trainer.

## LAST TUESDAY

Patrick Allen Reynolds is a real life actor who has been in several movies, but mostly doing commercials. He entertained us with his improv stylings with our own Jim Robuck. Patrick was the Kiwanis float builder and Jim was International President.

Patrick met his wife Gabrielle on the set of a movie they were doing together. Gabrielle and Sue Matchett are long time friends. Patrick is also a registered clown. Agents get 10% for their work and scale is \$670 per day according to SAG.

Steve Montesanti did a great job stepping in for our President Chuck who is recovering with a bout of pneumonia. Dr. Doug Sears, Manny Valenzuela, and Rose Sheldon were also in attendance. Elmer Black's grandchildren can't figure out why you have to PAY a toll for the FREEWAY.

Steve Tyre's big tax tips for us is your estimated taxes for 2009 are payable 30,30,20,20 percent. Guess what? They need more money up front. You don't have to take the mandatory distribution at 70 1/2. You know times are tough when LA County Attorney General Steve Cooley wants to stimulate the economy by giving Mike Miller \$15 a day to be a juror.

## STUDENTS OF THE MONTH

We honored two outstanding students from Cloverly Elementary School. Accompanying the students were teacher Ms. Krista Carlson.

**Jane Le** is 11 years old and enjoys swimming almost every day in the summer. The best thing about school are the caring teachers that help when there is a need, it is a wonderful place for education, and everyone is respectable. Goals are to change the world for the better, get a great education, and help people whenever she can.

**Janine Pham** is 11 years old and enjoys reading humor, mystery books, playing tennis, running, and playing the piano. The best things about Cloverly are making many wonderful friends, the school is well maintained, and the teachers and staff are very nice. Personal goals are to build a hospital in Botswana, attend a great university and become a pediatrician, discover cures for sicknesses, and to make enough money to give to charities.

## BAHOOKA REVISITED

The committee to select a venue for us to meet will be in action again. After a 3 month trial period it has come to the attention of leadership that we should explore other places other than the Bahooka.

Your Editors views are: 1) the room is very dark and dreary looking, 2) I don't think it is to clean, but it is so dark I can't tell, 3) the reason everybody sits on the west side of the room is because it tilts on the east side, 4) after the meeting and exiting from the parking lot, only 2-3 cars at a time can exit at the signal. At times you can get stuck there for 10 minutes.

Please keep in mind that the opinions expressed here are mine only. What are yours? Do you have some suggestions for a new restaurant? Let us know what you find.

## QUOTE OF THE WEEK

"Never tell anyone that you're writing a book, going on a diet, exercising, taking a course, or quitting smoking. They'll encourage you to death." - Lynn Johnston

See you Tuesday, Jerry
