JANUARY 14, 2003 TUESDAY NOON VOL. 66 NO. 16

PROGRAM

Bill Goldmann, former assistant to the P.C.C. President, now retired but as a standout history instructor teaches one class, will lecture on a topic of great interest these days. His topic:

"TERRORISM"

LAST WEEK

A great meeting, a great speaker. Everything just perfect. Unfortunately, there was no meeting. The Live Oak power debacle shut down Sir George's and a lot of the access streets, such as Baldwin shut off from Duarte Road south. Seems those old wooden poles couldn't cope with the wind gusts, which were way up there.

SICK CALL

Mike Miller says his stitches have been taken out but it was no fun on the following day. Mike attended the last Directors meeting but it was unkindly pointed out that at the previous meeting when Mike was not present it took about half the time as the last one.

MID-WINTER CONFERENCE

Feb. 8 Ontario. It was suggested at the Director's Meeting that some of the members who have not gone before, should go so that we have some fresh blood taking part in our leadership.

ANNIVERSARIES AND BIRTHDAYS

Well sir, most of our members are married. It's a good bet that they were born. At last we've struck gold!

Jan. 16 Sara and you know who this wonderful person is — he's the one with toner stained fingers. He never has caught on to the high tech stuff but he knows that if you run your finger over things hot off the printer sometimes you can smear the paper.

PERFECT ATTENDANCE

No help here with news but the two who didn't make the Jan. 7 meeting may hear from John Peebles.

WELL SIR

In the Jan 13 issue of the New Republic, the cover shows a couple of Rubens' large ladies and herald's the feature article, "RUBENS WAS RIGHT. Those Extra Pounds Aren't Bad for You After All." Unfortunately, about this time a new study was released indicating that females reaching 40 and being overweight have, on average shortened their lives by 7.2 years.

Ah well, perhaps this is a payback for the New Republic's article in its same issue pointing out that Pres. Bush said in March 2001, "We can proceed with tax relief without fear of budget deficits, even if the economy softens." Now the bad debt crew says that deficits are just swell.

IN CLOSING

Having filled most of this page, we will close on an affirmative note, courtesy of Ben Franklin, "It is a grand mistake to think of being great without goodness; and I pronounce it as certain that there never was yet a truly great man that was not at the same time truly virtuous."

SEE YOU TUESDAY,
