JANUARY 14, 2014 TUESDAY 12:00 P.M. VOL. 75 NO. 16

### THIS TUESDAY

Jim "I'm workin' on it" Robuck has nothing for this week. It better be something better than a talk on someone's surgery.

### LAST TUESDAY

Mike Lepore prior life was the grocery business. For the past 34 years he has been in real estate, 28 as a broker, and 6 as a agent. Mike admits this is a difficult year to predict but he is confident that homes will go up in selling price between 20 to 25%. Sad news is first-time home buyers are out of luck.

High end property is being bought by developers with some being built in Arcadia with over 10,000 square feet and over 3 million dollars. No more 6% commission. 5% now and that could be negotiable. Condo's are going up in price. New requirements for all cash offers requires all the money must be in a local bank. Loan companies previously required FICO score of 680. The new score is 735.

### STUDENTS OF THE MONTH

We honored two outstanding students from Oak Avenue Intermediate School. They were accompanied by their teacher, Mrs. Katie Arrighi who just happens to be Dan Arrighi's daughter-in-law..

Maysa is 12 years old and has an older sister. She enjoys playing outside and building things with Legos. Maysa said, "The best things about Oak Avenue are my teachers, Principal Mr. Gray, and Vice Principal Mr. Topalian." The best thing that ever happened was becoming Student of the Month for the first time. Personal goals are to build a sculpture of her life, and build a big building for the poor, get good grades in school, get a scholarship, and become a great student.

Darren is 13 years old and has a younger sister. He enjoys sketching, skateboarding, playing piano and viola, and reading. Darren said, "The best things about Oak Avenue is the music program, block days on Wednesday and Thursday, and P.E.." The best thing that ever happened was being born. If he could change one thing it would be that cigarettes were never invented. Personal goals are to build a machine that would completely decompose garbage and turn it into reusable energy, graduate from college with a masters degree, become a graphic designer or animator, and to have good character and personality.

### MEALS OF LOVE

Grampa Rich is beginning another year of love. We will be providing Meals of Love for the Pasadena Ronald McDonald House this Wednesday, January 15. The theme is Casserole. Main Dish by Matt Smith and Chuck Shaw, Salad by Bob Rodenbucher and Mike Miller, Dessert by Dave Seltman and Rich Wenzel, Bread by Ron Dorazio, and Drinks by Steve Montesanti.

Congratulations to proud grandparents Rich and Pat Wenzel upon the arrival of Charlotte Marie-Elise Wenzel. She came into this world on December 28 at 2:35 p.m. in Redwood City. The scorecard list her as 7 lbs. 2 oz. 20 inches long. I hope she has better knees than her grampa.

Mike Miller is in the rehab unit near Arcadia Methodist and will be coming home Saturday. We hope he gets stronger and can join us soon. In his honor we were almost going the cancel the Pancake Breakfast. Speaking of the breakfast tickets for you to sell have been distributed. Tony Straub was always the first to get his money in. Assignment are available and please remit your ticket money to John Gera.

### KIWANIS KALANDAR

February 22 - The big Pancake Breakfast.

### QUOTE OF THE WEEK

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."

- Maya Angelou

See you Tuesday, Jerry
