JANUARY 15, 2013 TUESDAY 12:00 P.M. VOL. 74 NO. 14

THIS TUESDAY

Our speaker for the day will be Helen Nelson from the San Gabriel Valley Mission.

LAST TUESDAY

Jose Pulido is beginning his 3rd year as City Manager. In his tenure he has brought Temple City into the 21st century. He has served in Montebello for several years and also in San Fernando.

Mr. Pulido spoke of the many changes to our diverse community including infrastructure improvements. The main projects the city is currently undertaking is the 16-month Rosemead Boulevard Enhancement project with a groundbreaking date set for January 24. After 3 years of planning and securing grants the project is finally going to commence. Mr. Pulido reminded us that he is not interested in the status quo or maintaining. He is a builder with an Economic Development background.

Also, the Council decided on December 27 to adopt plan 3 for the Las Tunas Beautification Project. The main thing will be a "traffic diet" for several blocks at the center of town. It always amazes me how rumors get started. Someone called me Tuesday and said "did you hear they are making Las Tunas 2 lanes from Muscatel to Baldwin?"

Monica Tyre joined Steve in attendance Tuesday. Steve also shared that he saw Hal from our old meeting place Sir George's in Las Vegas. The owners of the center tripled his rent and it has been sitting empty ever since.

Dan Arrighi was recognized for the story in the recent Temple City Connect magazine as an immigrant making good in Temple City. Dan and his family has been tireless workers and benefactors. He lost the big coin toss but Temple City became the winner.

Mike Lepore and Frank Deckon reluctantly paid for being born. It was reported that John Chandler has been cancer free, but has fluid on the brain. Mike Miller and Jerry Jambazian are in the process of forming a new club at Arcadia Methodist Hospital. Mike is finally looking good after starting dialysis and Jerry is recovering from a fractured hip.

We were all saddened to hear that Sister Barbara Mulvehill from Maryvale Orphanage passed away on December 12 from a heart attack while at a Chapel Service. We came to know Sister Barbara through John Chandler. I know she loved us because each week when I sent her the bulletin she would always write back. She is now safely with her Lord and Saviour.

STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Accompanying the students was Emperor teacher Mrs. Shelly Scanlan.

Jenna is 11 years old and in Miss Parrille's class. She has three brothers and sisters and enjoys swimming, traveling, and reading. Jenna said, "The best things about Emperor are the nice teachers, great education, and friendly kids." The best thing that ever happened was being chosen for this award. Personal goals are to let many people believe in God's word, build a huge mansion for homeless people, be baptized, get straight A's, and have world peace.

Kristen is 11 years old and in Mr. Giangregorio's class. She has a younger brother and enjoys drawing, reading, and playing piano. Kristen said, "The best things about Emperor are the teachers are nice and helpful, the school is safe, and they teach values such as respect and responsibility." The best thing that ever happened was having my brother develop patience in me. Personal goals are to stop all prejudices, build a shelter for lost or injured animals, become a successful person, and be a person of morals and principals.

Sophie is 11 years old and in Mrs. Scanlan's class. She has an older sister and enjoys softball, violin, student council, and yu-gi-oh. Sophie said, "The best things about Emperor are the excellent teachers, great learning environment, and high academics." The best thing that ever happened was making great friends. Personal goals are to have world peace, build a flying car, get a good job, quality education, and be healthy.

QUOTE OF THE WEEK

"Sometimes I lie awake at night, and I ask, "Where have I gone wrong?"

Then a voice says to me, "This is going to take more than one night.
