JANUARY 16, 2007 TUESDAY 12:15 P.M. VOL. 70 NO. 3

THIS TUESDAY

Tuesday will be the official visit by Lt. Governor Bob Pierre. We will want to be on our best behavior and take to heart President Elmer's new theme, "We don't want to look bad."

LAST TUESDAY

Temple City Sheriff's Deputy Rich Soto gave us Part II of Identity Theft. The simple fact is that it is going to happen to one of us sooner or later. The difference is you want to be armed with as much knowledge as possible.

To that end, Deputy Soto again distributed the information packet. The most important things are to act quickly and assertively. The last two pages which give phone numbers to make the process go smoothly. In dealing with the authorities and financial institutions, keep a log of all conversations, including dates, names, and phone numbers. Keep a log of the emotional stress you will go through so if they catch this cock-a-roach and you are before the judge you can let him have it.

The main things are: Immediately call the 3 credit bureaus, call your creditors, and contact law enforcement. The one thing you will deal with during this whole ordeal is stress.
