TEMPLE CITY CALIFORNIA
(Chartered August 8, 1939)

JANUARY 18, 2005 TUESDAY 12:15 P.M. VOL. 68 NO. 3

PROGRAM

Our own Lou Merritt, who joined our club in 1955, will present
"TRAVEL OF A REVOLVER"

Lou was a gunner in the World War II Navy.

LAST WEEK

Pres. John said quite a lot:

"Pancake Breakfast preparations underway - tickets being printed, supplies being evaluated, venue available, most assignments filled."

"Toothprints program begins Friday February 11. Some help is needed to guide students."

"At least four members of our club will attend the Mid-Winter Conference in Riverside on February 12, 2005."

STUDENTS OF THE MONTH

The gregarious Mr. Giangregorio brought 3 outstanding hungry students from Emperor Elementary School.

Maggie Ferntheil enjoys soccer, dancing acting, and singing. The best things about school are her friends, teachers, and activities. Her goals are to become a better reader, to listen to her elders, to become a great soccer player.

Connie Chao enjoys swimming, her teachers, lunch, and recess. Connie's claim to fame (besides this award) was receiving the manners award. She wants to get taller, gain weight, and get straight A's.

Roberto Haro wants to become a professional football player, after getting a good education, and to graduate from college. Roberto took the time to thank Mr. Giangregorio for helping him to understand math.

DIRECTORS ACTION

As to the Feb. 4 Governor's Dinner:

Following our regular meeting last week it was decided that our club will send the name of our member to receive a Distinguished Service Award. Four of our members will attend the dinner on Feb. 4 at Brookside, Pasadena. If you want to go it's \$35; tell Pres. John.

COMING ATTRACTION: Steve Tyre's Tax Talk

Jan. 25 Steve modestly indicated that members, and any guests, will find the presentation well worthwhile. Yr. Ed. observes that the members do show a lot of interest in Steve's income tax tips.

BLACK ELMER BREAKS AN ANKLE

He emphasizes that he will be able to carry on business as usual during the six weeks healing process. Elmer sprayed a bug spray on the ants who had invaded his kitchen. The spray was oil based, which Elmer found out when he fell and busted the ankle. It's some consolation that his doctor pointed out that it beats a sprained ankle.

A TEACHER OF A 1st GRADE CLASS

Asked her pupils to complete the following proverbs. Some of the answers:

Don't change horses until they stop running.

It's always darkest before Daylight Saving Time.

Never underestimate the power of termites.

Don't bite the hand that looks dirty.

You can't teach an old dog new math.

A penny saved is not much.

Two's company, three's the Musketeers.

Children should be seen and not spanked or grounded.
