JANUARY 19, 2010 TUESDAY 12:00 P.M. VOL. 71 NO. 16

THIS TUESDAY

Emperor Principal Kathy Perini will be our featured speaker. I don't know what Kathy will be speaking about, but I am guessing that it will be about the Tournament of Roses, Pac-10, USC and Pete Carroll, Grand Marshall of the Camellia Festival Parade, and if there is time she will talk about Emperor having the highest API score in the District (937).

LAST TUESDAY

We were treated to three great representatives from Temple City High School. Principal May Jo Fosselman-King, Guidance Counselor Deanne Sciarrotta, and Sophomore Class President and Key Club member Dana Chan.

Some interesting facts: In 2000 Asian population 37%; 2010 64%. White population in 2000 37%; in 2010 17%. English is no longer the primary language spoken at home - Chinese, specifically Mandarin. In 2000 only 25% met the Cal State UC entrance requirements, now 55% students meet the requirement...over 90% of TC's students go to college. In 2000 67% passed physical fitness tests, now it is 92%. In 2000 1 computer for every 10 students, now 1 for every 4. 10 years ago API index at TCHS was 726, now it is 838. 32 point increase just in the last 2 years. Super mom and Guidance Counselor Deanne Sciarrotta is a product of Temple City schools having attended her last Kiwanis meeting while in the 4th grade. Dana is a wonderful representative of the Sophomore Class at the High School.

John Chandler had brain surgery on Wednesday at Arcadia Methodist. Please remember John and Sue along with the family at this difficult time. We pray for a speedy recovery. **LATE BREAKING NEWS:** I spoke with Sue this morning and John made it through the surgery very well. They removed a tumor from the right side of his brain. Sue said to say thank you to all.

Former member and teacher at TCHS Janice Murasko was presented with a \$300 check to purchase some life-like dolls to help with the "Baby Think It Over" program at the High School.

We had an Interclub with Rosemead last Thursday with Sue Matchett, Jerry J, Dan Snell, and Jerry Backstrom.

It is with great sadness that I report that former member John Peebles has passed away not long after his wife Pat passed away.

Tickets for our new fundraiser for the Home Theatre System are available now. Please do your part in selling to your friends. Also look for Pancake tickets soon. We Build, we make pancakes!!

STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Pictured with the proud students is Emperor teacher Mrs. Shelly Scanlan.

Stephanie is 11 years old and has an older brother. Stephanie enjoys reading books, riding horses, and writing. Stephanie said, "The best things about Emperor are the great Principal and teachers who make learning possible, also leaning new things and building character." Personal goals are to make the American dream come true by publishing a book, getting good grades, attending Stanford or Princeton, and becoming a pharmacist to create medicines that save lives.

Lynn is 11 years old and has an older sister. Lynn enjoys music, math, science, reading, swimming, and watching movies with her sister. Lynn said, "The best things about Emperor are the great teachers, fun classes, and an amazing Principal." The best thing that ever happened was going on the Catalina trip and coming to Emperor. Personal goals are to have less pollution, build an ice cream factory that creates unique flavors, go to Cal Poly Pomona, become a chemical engineer, and discover a new galaxy.

Oliver is 11 years old and enjoys basketball, baseball, soccer, and science. Oliver said, "The best things about Emperor are the nice teachers, good kids, and it's fun!" The best thing that ever happened was winning a big award in baseball. Personal goals are to develop a cure for cancer, build a house for himself, win a soccer championship, get good grades in reading, and meet new people.
