**JANUARY 20, 2009 TUESDAY 12:15 P.M. VOL. 70 NO. 16**

## THIS TUESDAY

Mail Fraud is the topic of the day. We have had this before but there are always new things to learn to be safe. If you remember the previous presenter from the Post Office, she was pretty, she also had a badge and gun.

## LAST TUESDAY

Valarie Floyd told of her time in the Navy. Valarie is now a fitness trainer at 24 Hour Fitness in Arcadia. She told of being in the "garden spot" of the world, Kuwait where the temperature during the day gets to be a whopping 130 degrees.

Her job was to inspect and clean military equipment that was to be transported back to the States. We could never imagine what she has seen and heard over there, you could tell that she even had trouble talking about a painful subject.

Valarie first enlisted in the Navy at the age of eighteen. After her tour of duty she was in management for the Ralph Lauren Company. Five days before 9-11 hit she enlisted in the Navel Reserve and served 2 tours of duty in Kuwait. Her father and uncles served at Midway and Iwo Jima. She wanted to be Navy Seal. Upon her return she went to 24 Hour Fitness to get a management job, when they found out she was so physically fit, they hired her as a trainer.

Thanks to Sue Matchett for 2 great programs to begin the year.

Dan Snell has taken my tips to heart to help the bulletin editor. He has ALREADY given me his program lineup for the month of February. President Chuck thanked John Gera and Steve Montesanti for filling in for him. Chuck Shaw has a new toy to add to his collection, a 1923 Model T Coupe that has been in the garage for 30 years.

Mike Miller must be enjoying receiving \$15 a day for serving on a jury. I sure hope this does not put him in another tax bracket. Sue Matchett brought Jennell as a guest, and Jerry brought Rogelio Hermosillo who is a retired Navy Chief.

Everyone should have tickets to sell for our Pancake Breakfast. We only have two fund-raising events for the year. Make sure you do your part in selling or buying those tickets.

## STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Accompanying the students were teacher Mrs. Jennifer Taylor who was a Student of the Month honoree about 27 years ago.

**Makeila Klementich** is 11 years old and enjoys art, traveling, photography, music, reading, tether ball, shopping, and playing with her dog. Goals are to get better in math, to get better at not fighting with her brother, attend Princeton and become a surgeon.

**Benjamin Cho** is 11 years old and enjoys basketball, math, and playing Wii. The best things about Emperor is the clean campus, and the teachers are nice and helpful. Goals are to get a good CAT6 score, get straight A's, and go to the 7th grade.

**Abraham Chen** is 11 years old and enjoys reading, playing board and computer games. The best things about Emperor are his friends, recess, and math. The best thing that ever happened was going to Tokyo Disneyland. Personal goals are to build a famous amusement park, become a doctor, practice the violin, and to read more books.

## QUOTE OF THE WEEK

"The best measure of a man's honesty isn't his income tax return. It's the zero adjust on his bathroom scale." - Arthur C. Clarke

**See you Tuesday, Jerry**

P.S. Whether you are Democrat, Republican, or Independent, watch what will happen Tuesday when we demonstrate as a nation the peaceful transition of power. Nowhere else on earth can this seamlessly happen than The United States of America!!
