## THIS TUESDAY

Superintendent Kathy Perini will give an overview of our great school district.

## LAST TUESDAY

Lauren Worsley is a specialist with the American Cancer Society Relay For Life. She said nothing would make her happier than to be out of a job because cancer has been cured.

Temple City will conduct its 4th Annual Relay on July 11-12 at Temple City High School football field. Relay is a 24-hour team event to fight cancer. It raises awareness of cancer in the community and raises money to support the programs and services of ACS. Over \$55,000 was raised last year. Photos and Video from last year at [www.templecityphotos.com/Gallery%202014/07\\_26\\_14\\_relay\\_f.html](http://www.templecityphotos.com/Gallery%202014/07_26_14_relay_f.html)

Bob Rodenbucher received a letter from his best bud, President Barack Obama. The President congratulated us for our 75th Anniversary. Watson Gan was in attendance. Steve Montesanti needs program chairman from March to September. Ron Dorazio is home and scheduling treatment for prostate cancer. Our club sent him a plant wishing him a speedy recovery.

Rich Wenzel is offering the following schedule for Ronald McDonald House Meals of Love for February 4. The theme is pork with the main dish by Bob Rodenbucher and Sue Matchett, Salad by Rich Wenzel and Steve Montesanti, Bread by Dave Seltman, Drinks by Dan Snell, and Dessert by John Gera and Ron Dorazio.

## STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. Accompanying the happy students was long-time teacher and new bride, Mrs. Mary Ann Geis.

**Alexa** is 11 years old and in Mrs. Geis' class. She has a younger sister and enjoys playing the piano and singing. Alexa said, "The best things about Emperor are the great teachers, and Principal Westgate." The best thing that ever happened was her parents getting her interested in music. If she could change one thing, it would be to not have any violence in the world. If she could build one thing it would be a machine to help with math. Personal goals are to do better in math, to be remembered for something good, and volunteer as much as she can.

**Maryann** is 11 years old and in Mrs. Scanlans' class. She has an older sister and enjoys singing, swimming, art, and camping. Maryann said, "The best things about Emperor are the great teachers and staff, the teaching methods they use, and the people you go to school with." The best thing that ever happened was finding her best friends in the world, they are always by her side. If she could change one thing, it would be to let kids take lessons for free for things they might want to do for a career. If she could build one thing it would be an enormous building for homeless people. Personal goals are to help the environment, help the less fortunate, and become a professional singer.

**Kaithlyn** is 11 years old and in Mr. Giangregorio's class. She has three older sisters and enjoys snowboarding, running, tetherball, and laser tagging. Kaithlyn said, "The best things about Emperor are how we are encouraged to persevere, and we have helpful clubs that help people in need." The best thing that ever happened was going to Emperor where I met by best friends. If she could change one thing, it would be to help starving children. If she could build one thing it would be shelter to help homeless people maintain a healthy life. Personal goals are to study hard, get good grades, get a job when she is a junior in high school, and become a doctor and cure diseases.
