LAST WEEK

Bill Goldman, a veteran observer of history in the making, said that 9-11 and world wide attacks on governments were not to be thought of just the work of uneducated fanatics. Basically well educated Al Queda thinkers, such as the wealthy Osama Bin Laden are the real movers and shakers. He knew how the fuels on fire would melt the steal girders. The philosophical leader was (and is) Abu Quta, who lives in Great Britain.

The Muslin brotherhood, Bill went on to say, killed Egyptian leader Anwar Sadat. Sadat had made peace with Israel. According to Abu Quta, they are against sexual permissiveness, our society is without a soul. Our society is a sea of mud, globalism and the internet are bad, in the eyes of our ever busy apostles of death. Yr. Ed. will make some comments below.

STUDENTS-OF-THE-MONTH

Sally Stokes, veteran Cloverly teacher brought students Michelle Leong and Kai Cheng. Kai said the best thing that ever happened to him was "moving from Hong Kong to America because Chinese is too hard to learn." Almost all the students seem to have the same concern: when asked if they could change one thing in the world, it would be "the crisis between America and Iraq."

Our Dr. Doug Sears of the Community Learning Center was not able to show but student Honoree Virginia Montano showed up with her mother, Lorraine. Jerry J had to on the spur of the moment, make lemonade out of the lemon situation, which he did very well.

THOUGHTS ON TERRORISM

The bad guys appear to think that societies like the Taliban are just marvelous. Our speaker indicated that we have a license to kill the leaders, wherever they may be. Our experience with such gov't agencies as the CIA has at times been out of control such as killing the democratically elected Pres. of Chile and opening the door for Dictator-Pinochet. We need to be careful that we don't be like our enemies. It may be that the way to protect freedom is not to destroy it.

THE GOOD OLD BLUNT DAYS

"Gentlemen: You have undertaken to cheat me. I will not sue you, for law takes too long. I will ruin you. Sincerely yours. Cornelius Vanderbilt."

SEE YOU TUESDAY,
