## THIS TUESDAY

Sue Matchett will reprise her roll as a teacher as she speaks about Idioms and American English. Good luck with this group.

## LAST TUESDAY

Kathy Perini was named Superintendent last July and has been busier than any time in her life. She actually has two jobs in Temple City, overseeing 5,600 students and guiding the Measure S Bond improving our already great award-winning schools. Kathy said there is always opportunity for growth and improvement.

Kathy's desire by the grace of God is to create a sense of hope that kids can do anything and to also be a District of "WOW".

Kathy explained the difficulty of watching a 128 million effort being shrunk to 108 million because of seismic concerns, inflation, the State removing matching funds, and the State Architect dragging their feet.

Kathy has been in education for over 35 years having graduated from USC and serving a brief stint with LAUSD. Besides Oak Avenue she served as Principal at Emperor for 21 years building a great family team.

Kathy wears another hat having served the Tournament of Roses for many years. She recently had the title of Director given to her which means she is in line for President of the Association. It is a eight year committment at assend to the Predisency. The Association is committed to providing the best product it can. Because of time constraints the parade has to be one hour and fifty-eight minutes long. That explains why the Kiwanis float almost rear-ended the group in front of them. Congratulations to our Pride Of Temple City Band performing in the parade and a great city that supported the fund-raising efforts.

Watson Gan was in attendance again and is becoming a prospective member. Steve Montesanti needs program chairman from March to September. Steve also needs you to sign up for the club Valentine's Party at the Old Spaghetti on Tuesday evening February 10.

Rich Wenzel was happy about his birthday and the New England Patriots win amid the deflated ball scandal. Former member Jerry Backstrom sends greetings from Prescott. FYI: Kiwanis International celebrated 100 years on January 21.

Ron Dorazio is home and continuing treatment at City of Hope for bladder cancer. Our club sent him a plant wishing him a speedy recovery.

Rich Wenzel is offering the following schedule for Ronald McDonald House Meals of Love for February 4. The theme is pork with the main dish by Bob Rodenbucher and Sue Matchett, Salad by Rich Wenzel and Steve Montesanti, Bread by Dave Seltman, Drinks by Dan Snell, and Dessert by John Gera and Ron Dorazio.

## STUDENTS OF THE MONTH

We welcomed an outstanding student from the Dr. Doug Sears Learning Center. Accompanying the happy student was Mr. Reggie Rios and Mr. Raul Acevedo.

Lancer Durden is 17 years old and in Mr. Rios' class. He has two younger sisters and a brother. Lancer said, "The best things about DDSLC are the great teachers, the work ethic, and staff." The best thing that ever happened was winning a football game. If he could change one thing, it would be to have better lunch food at school. Personal goals are to become a member of the LAPD and then become a FBI agent..
