THIS TUESDAY

Jerry Robin is a Molecular Hydration Specialist with Enagic Inc. All we need is another Jerry, two in our club and now one in the Governor's mansion. Anyway, he will speak on "The environment, your health and your wallet." O wait, one more Jerry the following Tuesday!

LAST TUESDAY

Steve and Tony told everything we wanted to know about those two scary words, taxes and the law. Norm has to be very proud that his grandchildren are all doing well. Tony attended Flintridge Prep, Tulane University, UCLA, and Southwestern Law School. Tony specializes in Estates and Trusts, Civil Law, and Elder Law Issues. If you need help in Taxes, Medical and Life, and Legal work you need to see Steve and Tony.

We received and read thank you notes from Emperor teacher Ms. Shelly Scanlan and students Helen Poleski, Celine Lo, and Tyler Iwamoto. This is an excerpt from Helen, "Thank you very much for the lunch we had on Tuesday. Also thank you for the certificate to The Hat, the student of the month certificate, the bumper sticker, the letter to my parents, and the photo. Thank you very much for everything."

Mayor Fernando Vizcarra was a Guest of the Club at Tuesday's meeting. Judy Lepore and Marie Leonard were also guests. Steve "Mr. Toastmaster" Montesanti is our program chairman for February. We were featured in the Maryvale Careline magazine for our contribution of the duffel bags. Board Meeting will be at the Chamber office Tuesday at 5:30 p.m.. Elmer Black and Dan Arrighi split the drawing monies and Dan promptly donated it to the Pancake Breakfast.

MEALS OF LOVE

Richard Wenzel reports that the theme for the month is Pork. Main dish Dan Snell and Chuck Shaw, Salad Ron Dorazio and Sue Matchett, Dessert John Gera and Mike Miller, Bread Rich Wenzel, Drinks Steve Montesanti. Drinks can be dropped at my house, prior to date. I will pick up food items from Dan Snell, Ron Dorazio, and John Gera after 4:00 PM on Wed. Feb.2

STUDENTS OF THE MONTH

We honored three outstanding students from Longden Elementary School. Pictured with the proud students is their teacher Ms. Samantha Jennings.

Amanda is 11 years old and has an older brother. Amanda enjoys soccer, softball, and hanging out with her friends. She said, "The best things about Longden are the friends I have met, the computer lab, and my teacher Ms. Jennings." The best thing that ever happened was getting on the honor roll. Personal goals are to have all her friends and family healthy, build a hospital for people that can not afford it, get the Presidential Award, get straight A's, and have her soccer team make it to the championships.

William is 11 years old and has an older sister. William enjoys playing the piano, drawing, and working on projects. William said, "The best things about Longden are the fun projects, great experiments, and my teacher Ms. Jennings." The best thing that ever happened was getting on the honor roll and getting straight A's. Personal goals are to stop polluting the atmosphere, build a mansion for his family and friends, earn the Presidential Award, go to Harvard, and become a famous doctor.

Ernie is 12 years old, has 2 brothers and enjoys drawing. Ernie said, "The best things about Longden are my friends, the fun projects, and P.E.." The best thing that ever happened was getting \$100 for his birthday. Personal goals are to have no more taxes, build a gigantic Lego form of himself, get on the honor roll, earn a lot of money, and make it to college.
