## THIS TUESDAY

Don Stratton will speak to us about an interesting hobby, "Model Trains". Don got his first train in 1952 and now has a 16' X 16' model train layout in his home.

## LAST TUESDAY

Steve Tyre has been a member of our club since 1985 having been invited by Mike Miller. Steve is always a big hit with us this time of year when we think of the IRS and all the new ideas they are coming up with to help bailout more bad businesses.

Your kids will probably want to take you bungee jumping, sky diving, or in Bob Tyler's case, playing golf in an electrical storm. The reason is that the Estate Trust is at \$3.5 million in 2009 and a big 0 in the year 2010. Watch your back!

Elder Planning advice from Steve is to get rid of timeshares, get rid of boats and RV's, downsize your home, and contact utility companies for a break in those charges. Steve suggested calling your local phone provider and asking for their Retention Department. Tell them you are thinking of doing away with your "land lines" and watch them start applying discounts.

Everyone should have tickets to sell for our Pancake Breakfast. We only have two fund-raising events for the year. Make sure you do your part in selling or buying those tickets. Mr. Happy #2 or 3 (I get them mixed up) said that ticket sales are slow so make sure you do your part or I know you will hear from Mr. Happy #1. We are considering taking the \$1,500 donation from Bob Tyler and calling the breakfast off.

## MORE IMPORTANT THINGS

Board Meeting this Tuesday at 5:30 p.m.. Mike Miller celebrated his 56th birthday with us. A thank you letter was read by Pres. Chuck from Jackie Millham's Senior group. Mike Lepore would like to have an "out of Division" interclub with the El Monte club on Thursday, February 5th. Also Mike would like to plan an Interclub with Pasadena on the 10th. Check with President Chuck about the Lt. Gov's visit.

## STUDENTS OF THE MONTH

We honored three outstanding students from Longden Elementary School. Accompanying the students were teacher Ms. Samantha Jennings.

**Jonathan Lu** is 11 years old and enjoys anything electronic including computers. The best things about school are getting a good education, great teachers and classmates, and the environment. Goals are to get good grades, enjoy good health, and have a happy life.

**Karissa Chan** is 11 years old and enjoys track and field, friends, playing the piano and writing. The best things about school are seeing her friends everyday, the great playground, and wonderful teachers. Personal goals are get the President's Award, make the world a safer environment, and to tour the world to study different cultures.

**Annaka Besaw** is 11 years old and enjoys playing the piano, cello, crafts, playing with her siblings, and the Longden Drill Team. The best things about school are helping in the Kindergarten, her friends, and all the wonderful teachers. Personal goals are to build an educational amusement park, stop her school from cussing, get good grades, and practice her music more. Annaka's grandfather, local attorney John Shaw was also in attendance to witness her receiving her award.
