LAST TUESDAY

Just when retired teacher Sue Matchett thought she was done educating the masses we sucked her in. Sue was born in Western Pennsylvania at an early age and taught one year in Germany before teaching in the El Monte City School District for another 38 years.

Sue presented Prefixes, Idioms, and Eponyms. The most fascinating part was Eponyms. It is a person after whom a discovery, invention, place, etc., is named or thought to be named.

Did you know that Levi Strauss (jeans fame) and his wife went down with the Titanic? Sam "Maverick" did not want to brand his cattle. Cereal was named after the Goddess of Wheat. Boycott was in honor of Charles Boycott. Hoodlum is probably a corruption of the German word "hudelum". It is also where we get the derogatory term "hood".

Some examples of idioms are black sheep, get someone's goat, let the cat out of the bag, above board, a basket case, blue-blooded, draw a blank, a bigwig, to go berserk, off the cuff, to fly off the handle, to pipe down, grin a bear it, the rule of thumb, get short shrift, paint the town red, and a loose cannon.

Steve Montesanti needs you to sign up for the club Valentine's Party at the Old Spaghetti Factory on Tuesday evening February 10. Just in time for our Pancake Breakfast our legislators decided that chickens need more space, so eggs went from \$18.50 a box to \$48. This is no yolk...when will the madness end? Our cage-free members Sue Matchett and Dave Seltman are on top of this breaking story.

To honor our Honorary Grand Marshals World War II Veterans we will be treating them and their family to a free breakfast at our big pancake event. Thanks to Matt and Janet Smith for the beautiful invitations. Matt and Janet are also happy that their youngest son Collin got a job.

Ron Dorazio is home and continuing treatment at City of Hope for bladder cancer. Ron thanked the club for the plant sent to his home. Ron put on his secretary's hat and asked that you contact him if you have an item that you want included in the Board of Directors agenda next Tuesday.

Rich Wenzel is offering the following schedule for Ronald McDonald House Meals of Love for February 4. The theme is pork with the main dish by Bob Rodenbucher and Sue Matchett, Salad by Rich Wenzel and Steve Montesanti, Bread by Dave Seltman, Drinks by Dan Snell, and Dessert by John Gera and Ron Dorazio.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Longden Elementary School. Accompanying the happy students was their teacher Mr. Greg Shahoian.

Raquel is 11 years old and has a brother and sister. She enjoys reading, writing, and drawing. Raquel said, "The best things about Longden are the amazing staff, the nicest people go to my school, and I really like the subjects this year." The best thing that ever happened was seeing her cousin from Mexico that she has not seen since first grade. If she could change one thing, it would be to have homeless people no longer be homeless. If she could build one thing, it would be an orphanage. Personal goals are to become better at math, becoming a vegan one day, and to become a writer.

Jackson is 11 years old and has five brothers and sisters. He enjoys playing baseball. Jackson said, "The best things about Longden is my teacher Mr. Shahoian, the Principal, and recess." The best thing that ever happened was winning the championship in baseball in 2011. If he could change one thing, he would like to be smarter. Jackson would like to build a machine that would do his homework. Personal goals are to play more baseball, be smarter, and become an Eagle Scout.

Lou is 11 years old and has an older sister. He enjoys playing Legos and Roblox. Lou said, "The best things about Longden are my teacher's friends, and art work." The best thing that ever happened was having a Xbox 360 and some games. If he could change one thing, he would like to get better grades. If he could build one thing it would be a map made out of Legos. Personal goals are to build a tower in Minecraft, have his own iPhone, and get good grades.
