**FEBRUARY 8, 2011 TUESDAY 12:00 P.M. VOL. 72 NO. 19**

## THIS TUESDAY

Well here we go again. Another Toastmaster or BizNet special. Wendell Beard and Jerry Barranca (2 lunches). They might tell of the benefits of bottled water in plastic but then who knows.

## LAST TUESDAY

Jerry Robin spoke of the benefits of a \$3,980 water filter you put on your kitchen sink. After a wonderful demonstration of changing colors of water the bottom line is this: Drink the water that comes from your tap!!

Mayor Fernando Vizcarra was a Guest of the Club again and was recommended to go to K-Education. We gave a \$300 donation to The Blue Star Banner Program in Temple City in memory of Chuck Souder. Membership committee wants you to be thinking about who you are going to invite to our membership roundup on March 15th. Honorary Member Lynne Burkardt would like you to give the gift of life, Blood. Tuesday, February 8th from 12 noon to 6:00 p.m. at the District Office.

Former member and Temple City Chiropractor Dr. Bob Shepherd passed away on January 17th at the age of 89. He was preceded by his beloved wife Rose in 2009. Bob was a true war hero who lost his leg in service to our country. He was a true gentleman who took the passing of Rose very hard. Bob has been a member of TC Kiwanis for 65 years and was President in 1956, Lt. Governor in 1969, and Kiwanian of the Year in 1972. He lived a wonderful life of retirement in Las Vegas playing golf with his sweetheart Rose. We will miss him!!

## STUDENTS OF THE MONTH

We honored four outstanding students from Cloverly Elementary School and Oak Avenue. Pictured with the proud students are teachers Aaron Loomis and Krista Carlson.

**Steven** is 11 years old and has an older sister. He enjoys playing baseball, collecting baseball cards and bobble heads. Steven said, "The best things about Oak Avenue are the nice teachers, the great environment, and the nice kids." The best thing that ever happened was when his sister got him a signed baseball at Dodger Stadium. Personal goals are to make it to Major League Baseball, to get better grades, and do the best that he can do.

**Jailenne** is 11 years old and has a younger brother. She enjoys playing the piano, drawing, and basketball. Jailenne said, "The best things about Oak Avenue are the great teachers, clean school, and our two Principals." The best thing that ever happened was entering the Temple City School District. Personal goals are to help all the children of the world receive a good education, build a tower made of candy, attend a good college, and have a great career.

**Louise** is 11 years old and in Ms. Tenny's class. She has a younger brother and enjoys drawing and art. Louise said, "The best things about Cloverly are the activities, my teachers and Principal Ms. Perini." The best thing that ever happened was when her baby brother was born. Personal goals are to help homeless people, make a gigantic chocolate bar, to get into GATE and Honor Class, attend Harvard University, and to become an artist or lawyer.

**Gilene** is 11 years old and in Ms. Carlson's class. She has two brothers and enjoys reading, writing, and playing basketball. Gilene said, "The best things about Cloverly are the prizes we get for brag tags, the school prevents bullying, and the great teachers." The best thing that ever happened was going to Catalina to study biology. Personal goals are to stop glorifying cheating in the movies, to understand people's needs, to be more involved in the community, and be good at sports and academics.
