FEBRUARY 9, 2010 TUESDAY 12:00 P.M. VOL. 71 NO. 19

THIS TUESDAY

Our own Richard Wenzel will give us pointers on playing Bingo. Richard gave us a test run last week and we failed miserably. Elmer Black found it easier dealing with Real Estate contracts. I participated only because of the chocolate treats for the winners.

You are encouraged to invite your Valentine Sweetheart to the meeting and we will also have the official Royal visit by the newly crowned Camellia Festival Court.

LAST TUESDAY

Steve Tyre was to give us the bad news about taxes. Instead the Federal government had the nerve to schedule an audit at the same time.

Those of you that have ordered roses for your sweetheart can pick them up by Friday, February 12th at Golden Rose Florist, 9228 Valley Blvd, Rosemead.

Richard Wenzel filled in at the last minute with his rendition of an old favorite, Bingo. All I can say Richard is probably glad he retired from teaching. It took him 15 minutes to explain the Bingo card to us. The ones that were slow learners probably need to go to church more for a refresher course. We will have a chance to prove our Bingo prowess again this Tuesday.

Sue Matchett reported that Dave and Michelle Saltzman from Chef's Restaurant will be providing the scrambled eggs for our pancake breakfast FREE OF CHARGE. Don't get ahead of me, OK now everybody in unison, "Dave for President".

It was good to see John Chandler at our meeting last Tuesday. John is making good progress with his hair a little shorter and nursing a hole in his head. He thanked the members for their concern.

Tickets for our new fundraiser for the Home Theatre System are available now. Please do your part in selling to your friends. Please sell your tickets for our Annual Pancake Breakfast.

Our membership committee has been hard at work with the Member/Guests breakfast program at the Women's Club on March 16th. This is YOUR opportunity to invite a prospective member to see what we are all about. The committee is not asking for addresses and information now. They are asking for you to **PROVIDE THE NAME OF YOUR PROSPECTIVE MEMBER AND BRING TO CLUB THIS TUESDAY, FEBRUARY 9TH!!**

They won't be able to see what we are all about unless you **DO YOUR PART AND INVITE!!**

Oak Ave. Builder's Club raised \$ 300.00 for Haiti Relief by selling lemonade on campus. They are collecting clothing, i.e. jeans and dresses for disadvantaged teens so they can go to prom or school. They will be selling Camellia Festival programs on the parade route and our pancake breakfast tickets. They will be conducting a yard sale on Oak Ave.'s front lawn this Saturday, February 13th, so if you have anything to donate stop on by.

STUDENTS OF THE MONTH

We honored two outstanding students from Cloverly Elementary School. Pictured with the proud students is Cloverly teacher, Mrs. Patricia Wenzel. Mrs. Wenzel also has the distinct honor of being recognized as Temple City Unified School District's "Teacher of the Year." She, along with other teachers in the district will be participating in the Camellia Festival Parade on Saturday, February 27th. Pat also happens to be married to our member Richard Wenzel.

Bailey is 11 years old and in Ms. Tenney's class. He enjoys computer games and sleeping. Bailey said, "The best things about Cloverly are the nice teachers, good lunches, and clean classrooms." The best thing that ever happened was being chosen as Student of the Month unexpectedly. Personal goals are to have longer recesses, build a free money dispenser, get good grades, no missing homework, and enter Oak Avenue Intermediate School.

Wendy is 11 years old and in Mrs. Wenzel's class. She has two older sisters and enjoys drawing, reading, and swimming. Wendy said, "The best things about Cloverly are my friends, the teachers, and the big grass field." The best thing that ever happened was being chosen Student of the Month. Personal goals are to have the economy stronger, build a big house to help the poor and people of Haiti, pass the Pre-Algebra this year, to grow taller, and get straight A's.

QUOTE OF THE WEEK

"The grass is not, in fact, always greener on the other side of the fence. Fences have nothing to do with it. The grass is greenest where it is watered. When crossing over fences, carry water with you and tend the grass wherever you may be." - Robert Fulghum (1937 -)

Happy Valentines Day and see you Tuesday, Jerry
