## THIS TUESDAY

Our program for the day will be Valentines Special. This will be a fun time for all members and significant friends and spouses. Please let Jerry B know if you are bringing a guest.

## LAST TUESDAY

David McAlexander has been with the Pasadena Tournament of Roses since 2005. He attended Claremont-McKenna College and was a US Navy flight officer from 1988 to 1996 having served in Desert Storm.

David gave an overview of Parade history including almost being called the Tournament of Oranges and not allowing any wooden grandstands. The Tournament House and its surroundings provide a majestic backdrop for many Tournament activities, including the highly anticipated announcements of the Grand Marshal, Rose Queen and Royal Court. The many treasures throughout the house recall past tournaments and highlight a rich history of grace and style.

Mid Year Conference will be Saturday, March 2 at the Burbank Marriott Airport Hotel. Online registration deadline is February 18 at \$40. Onsite registration is \$50. Inter-club luncheon will feature keynote speaker and Kiwanis International Trustee Jan Erickson. The club will pick up the cost of early registration only. This is a great opportunity for some of our newer members to know more about Kiwanis.

More clarification for the meeting of February 26. We will meet for lunch at the Bahooka, have a short meeting including Students of the Month. We will then travel to the San Gabriel Mission at 1:15 to take a guided tour of the historic Mission.

## STUDENTS OF THE MONTH

We honored two outstanding students from Oak Avenue Intermediate and Cloverly Elementary. The were accompanied by Miss Crysta Carlson and Mr. Aaron Loomis.

Jenny is 12 years old and in Mrs. Tenney's class. She has an older brother and enjoys reading, art, and chatting with her friends. Jenny said, "The best things about Cloverly are the safe campus, every teacher is amazing, and all my classmates are nice and wonderful." The best thing that ever happened was winning first place in an art contest. Personal goals are to stop all the wars and have peace, build a robot to help people, get straight A's, getting better at drawing and music.

Janna is 11 years old and in Miss Carlson's class. She enjoys reading, playing tennis, math, art, English, and simply going to school. Janna said, "The best things about Cloverly are the safe environment, the staff are the nicest people in the world, the fun field trips and presentations." Personal goals are to improve the economy, build a homeless shelter, attend her dream schools Harvard or Stanford, become an astronomer or doctor working at NASA or JPL, she would also like to make a speech at the end of the school year in front of the entire 6th grade.

Bryan is 12 years old, has a younger brother and enjoys playing basketball, and video games. Bryan said, "The best things about Oak Avenue are the teachers are helpful and nice, the atmosphere seems to be happy at Oak, and the food is pretty good." The best thing that ever happened was finding out he was going to have a baby brother. Personal goals are to have world peace, build a school where there is little education, get into college, maintain straight A's for the rest of the 7th grade, also helping his brother to get even higher grades than he already has.

Edriana is 12 years old and enjoys swimming, drawing, and playing the viola. Edriana said, "The best things about Oak Avenue are my friends, the teachers, and the food." The best thing that ever happened was visiting Africa. If she could change one thing it would be her vision. Personal goals are to build a humanoid robot, get straight A's, travel around the world, and become a successful person.

## QUOTE OF THE WEEK

"I can't give you a sure-fire formula for success, but I can give you a formula for failure: try to please everybody all the time." - Herbert Bayard Swope (1882 - 1958)
