FEBRUARY 24, 2015 TUESDAY 12:00 P.M. VOL. 76 NO. 21

THIS TUESDAY

Elizabeth Devers will talk about Ronald McDonald House Meals of Love.

LAST TUESDAY

Pancake Chairman Dan Arrighi made sure everything and everybody was accounted for the big Breakfast this Saturday from 7 to 10 at the Amida Society Building. The 2015 Camellia Festival made their official visit along with parents, Chairman Donna Georgino and Director Nan Fish. The Parents of our Royalty were also recognized.

It is amazing that we can do all the things we do for our community. I was looking at a bulletin from August 29, 1989. The President was Elmer Black and postage was 25 cents. The big thing that hit me was that we had 71 members then!! Twenty-Six years later we do more and give more with a 67% decrease in membership. What happened to volunteerism and community service? Why did you join Kiwanis?

Rich Wenzel's theme for Ronald McDonald House Meals of Love is Ground Beef. The menu for March 4 is the Main Dish by Dave Seltman and Dan Snell, Salad by John Gera and Ron Dorazio, Bread by Bob Rodenbucher, Drinks by Sue Matchett, and Dessert by Rich Wenzel and Matt Smith.

Lucy Gan informed us that we are the recipient of the Golden Oak Award presented by the Temple City Council PTA. The Founders Day Dinner will take place on February 26 at the First Baptist Church. This is a big honor for us as this is the highest award that the State PTA has. We will be having a table of 8 and you are welcome to attend this high honor with your \$15 for dinner. This award is given to recognize, as the most prestigious of the Honorary Service Awards, an individual or organization that has made significant contributions to the welfare of children and youth in a school or community. Blue Star Sharon Johnson would like you to donate Girl Scout cookies to our troops. See Rich Wenzel.

Please remember to pray for and also visit long-time members Elmer Black and John Chandler. They are such an important part of our club's history. I can almost guarantee that they would rather be with us on Tuesday's.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School and one student from The Learning Center. Accompanying the happy students was their teachers Mrs. Shelly Scanlan, Mr. Jerry McKinnis, and Sean Patterson.

Natalie is 12 years old and in Mrs. Scanlan's class. She has two younger brothers and enjoys drawing, badminton, music, swimming, golf, and reading. Natalie said, "The best things about Emperor are the students are nice and respectful, the staff and Mr. Westgate are great with new students." The best thing that ever happened was going to Emperor in the fourth grade. If she could change one thing, it would be stop bullying and be respectful. If she could build one thing, it would be an animal shelter. Personal goals are to catch up on her AR goal, read more books, and learn more science.

Ethan is 11 years old and in Mrs. Geis' class. He has four brothers and sisters and enjoys reading, baseball, soccer, and football. Ethan said, "The best things about Emperor are the helpful teachers, all the programs and activities such as Student Council, float building, kid techs, helping in class, and Friends of the Library." The best thing that ever happened was winning the City Championships for Temple City in baseball. If he could change one thing, it would be make smoking illegal. If he could build one thing, it would be a car that runs on carbon dioxide. Personal goals are to get good grades all through college, get into a good college, and get a good job.

Caren is 12 years old and in Mr. Giangregorio's class. She has an older brother and enjoys dancing, listening to music, laughing with friends, and exploring her imagination. Caren said, "The best things about Emperor are the funny and understanding staff and teachers, the assemblies that teach us important values, and teaching morals to create the best students." The best thing that ever happened was being the only student who got 100% on the science test. If she could change one thing, it would be help homeless men and women and giving them a second chance. Personal goals are to build a dance studio, make everyone in the world smile and laugh, teach others about moving on and having a positive attitude, become a better dancer and teach others.

Ivan is 16 years old and in Mr. Patterson's, Mr. McKinnis, Mr. Rios, Mr. Jahan, and Mrs. Roberts's class. He has three sisters and enjoys working on cars, mudding, and off road racing. Ivan said, "The best things about The Learning Center are the students staff, students, and the environment." The best thing that ever happened was becoming a big brother to his little sister. If he could change one thing he would like to be rich. If she could build one thing, it would be a flying Bugatti. Personal goals are to become a self-made millionaire by the age of thirty, be the best person he could be, and drive the sickest car in town.
