"THE CAMELLIA CLUB"
TEMPLE CITY CALIFORNIA
Chartered August 8, 1939

FEBRUARY 26, 2008 TUESDAY 12:15 P.M. VOL. 71 NO. 9

THIS TUESDAY

Chuck Shaw is promising another "Mystery Program".

LAST TUESDAY

John Gera made all the assignments for the big Pancake Breakfast. If you feel like helping Mr. Happy#2 with the eggs, show up at his house on Goldenwest. Just don't wear a USC shirt! As I look at the worksheet that John provided, one thing stands out, "All Available Persons". John invited all spouses to help if they can. Dan Snell is donating real maple syrup from Maine.

Make sure you turn the money in to Mr. Happy#2 Bob Tyler. You don't want to know what happens if you give it first to Mr. Happy#1.

Pasadena Kiwanis made their official visit with Patti Woolman, Chi Ching Chang, Betty Ford, and Mr. Kiwanis Reed Allen. Reed was also touting Patti, Chi, and Betty for President.

Reed stated that Kiwanis International will be changing the way the Rose Float for Kiwanis is funded. They hope to get donations of several million and fund the Float from the interest on the money. It takes about \$170,000 to build. Is it true that Dan Snell gave several thousand?

Get well wishes to Steve Montesanti who will be having hernia surgery Friday. How did he get a hernia? Was it moving a sofa? Was it carrying all the money to the bank?

A thank you from Camellia Royalty Dustin Williams was read to the club.

STUDENTS OF THE MONTH

The Community Learning Center was recognized with 2 outstanding students along with School Health Assistant, Jeanne St.Pierre and Susie Ten Naple, school secretary. The students are in Mr. Reggie Rios and Mrs. Lois Billings class.

Brian Loiacano has a brother and sister and enjoys skate boarding, and biking. Best things about CLC are the teachers, P.E., and the school work. The best thing that ever happened was getting a job. Personal goals are to own a skate shop, get his school work done and save money for a car.

Christina Valenzuela has a younger sister and enjoys working with animals. The best things about CLC are the small classrooms, the teachers and staff are nice, and you get to work at your own pace. Christina has goals of building a giant animal shelter, graduate from high school, go to college, and get a great career.

Longden Elementary school was recognized with 3 outstanding students. Accompanying them was Terry Sholty, Vice-Principal and teacher, Miss Katy Korsavong.

Anthony Salazar is 12 years old, has 2 brothers and enjoys computers, spending time with his family and going to Disneyland. The best things about Longden are the wonderful teachers, being able to volunteer in the computer lab, and go on great field trips. Anthony said the best thing that ever happened to him was being chosen to be a Prince on the Royal Court and riding on a float in the Camellia Parade. Personal goals are to outlaw smoking, own a computer center, get straight A's, go to college, and become a computer programmer.

Shannon Rhine is 11 years old, has 3 brothers and sisters, enjoys singing, soccer, and being in plays. Best things about Longden are the Library, social studies, and hanging out with her friends. Shannon has goals of building a huge homeless shelter, get better grades, more fresh air, and to be her personal best.

Amanda Guillory is 11 years old, has 3 brothers and sisters, enjoys dancing, performing, and singing. The best things about Longden are the teachers, her friends, and the learning environment.
