STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School and two students from the Dr. Doug Sears Learning Center.

Daniel is 12 years old and in Mrs. Scanlan's class. He enjoys drawing and video games. Daniel said, "The best things about Emperor are the teachers my friends, and activities." The best thing that ever happened was being born and being able to see the world. Personal goals are to build a giant Lego house (lifesize), to grow taller, draw all the pokemon's, and see improvement in his reading and math grades.

Ivy is 12 years old and in Miss Parrille's class. She has two older brothers and enjoys listening to music, going on the internet, and watching music videos. Ivy said, "The best things about Emperor are the nice teachers, the fun privileges, and the helpful students." The best thing that ever happened was getting her dog Yoshi. Personal goals are to free from the fear of heights, get straight A's, read more, and get better at math.

Thalia is 12 years old and in Mr. Giangregorio's class.

She has a younger sister and enjoys swimming, listening to music, playing basketball, and writing. Thalia said, "The best things about Emperor are the fun activities, privileges, the educated staff and great teachers, and friendly students." The best thing that ever happened is going to Emperor since first grade. Personal goals are to build a homeless shelter, go to a good college, become a better basketball player, and make a difference in the world.

Destiny is 16 years old and in Mr. Rios, Mr. Patterson, Mr. Jahan, and Mrs. Robert's class. She has three older brothers and sisters and enjoys drawing, singing, and hanging out with her friends. Destiny said, "The best things about the DDSLC is the staff making you feel welcome, they provide help with any problems you have, and it's a place I call 'home'." The best thing that ever happened was going on a DDSLC fishing field trip to Long Beach. Personal goals are to go to college and become a pharmacist, to be happy and have a good life.

Drew is 16 years old and in Mr. Rios, Mr. Patterson, and Mr. Jahan's class. She has three brothers and sisters and enjoys skateboarding, playing the guitar, and filmmaking. Drew said, "The best things about the DDSLC are the great staff that are friendly and helpful, the film class and recording studio, and my awesome counselor, Mr. Acevedo." Her favorite memory is getting In N' Out double doubles for good attendance. Personal goals are to attend PCC filmmaking for two years and then transfer to a four-year university, become a documentary filmmaker, and to buy her mom a house.
