PROGRAM

David Tran, who spoke to us, will complete the story of his exit from Vietnam and what he has done in the U.S.

LAST WEEK

Surprise! We had a double:

1. Final rehearsal of the Pancake Breakfast giant effort.
2. A program of sorts. We heard all about the San Gabriel Valley Habitat for Humanity (29 cities) which this summer will hit 200,000 homes which have been completed since 1989. Headquarters is at 770 Figueroa in Pasadena. No interest is charged on loans to low income families.

Habitat for Humanity was born in 1979 the brainchild of the Fullers. Former Pres. Jimmy Carter has pitched a lot for the program. The most difficult task is to pay and/or beg for land on which to build or rehab.

THIS SATURDAY: THE BIG BREAKFAST

Pres. John says: "All that can be there, we need you for set up: 5:45 - 6:00 a.m. All that have volunteered for specific duties - please do not forget. We will have 15-18 guests from Maryvale. If you have purchased children's tickets and are not going to use them, please give them to John Chandler on the morning of the breakfast. Another important task - clean-up. Approximately 10:30. The more help, the faster this task gets completed. The Amida Society provides the facility at no charge! It is our duty to leave it in as good a condition as possible - better than we find it."

GO SEE NORM

At St. Joseph's. Take the 134 to Buena Vista. Go North. Norm is in Room 431, bed 2. He is much better mentally in dealing with his situation. Would be nice for Kiwanians to stop by prior to his early discharge.

STUDENTS OF THE MONTH

Three students from Longden were brought by their first year teacher, Miss Samantha Jennings.

Christine Nissim thinks the school is big, and the food is good. Christine wants to get good grades, get a lot of money so she can buy pets at the pound, and read lots of books and magazines.

Alice Leung likes hanging with her friends, reading, art, biking, swimming, school, talking, computers, ice skating, and exercising. She wants to be a designer and rich.

Eric Mora enjoys soccer, football, and boxing. He wants to be taller before he builds a soccer stadium, be a pro soccer player, pro boxer, and be a doctor.

A SAD NOTE: Word has come to us from Doug Sears that gifted CLC teacher, Blair Helberg who has been to many of our meetings suddently passed away last Friday. Our condolences to his wife and 14 year old son.

AN ANNIVERSARY AND A BIRTHDAY

Mar 1 - Monica and Steve Tyre

Mar 2 - Well, lookie here! It's Norm Tyre's birthday.

AND IN CONCLUSION

"The doctor can bury his mistakes but an architect can only advise his client to plant vines." Frank Lloyd Wright.

SEE YOU TUESDAY.
