MARCH 3, 2009 TUESDAY 12:15 P.M. VOL. 70 NO. 22

THIS TUESDAY

Ball of Energy, Jimmy Weldon will be entertaining us again. Jimmy will bring his fast paced style of motivational speaking. You will remember Jimmy being the voice of Webster Webfoot and Yacky Doodle in his cartoon series. The title of his talk is "Fire In The Sky". This could be another one of those programs you would want to invite your significant other.

LAST TUESDAY

Mike Miller truly does it all, even talks about his stint on the jury for 8 days for some "alleged" scum bag. 3 of those days was just picking the jury. Mike told of the different kinds of court cases and the ways of attorneys and judges kindly requesting that you not be considered for service. Mike passed out a list of 20 questions the court will ask you.

Steve Montesanti expressed thanks to all who helped at our annual Pancake Breakfast. Treasurer Mike said 262 adults and 64 children were served. Thanks to Harry Mycroft who helped cooking the pancakes. Contact John Gera if you would like to purchase some of that great sausage. Chuck Shaw was happy that his new/old antique car made it to the end of the parade, he immediately made the mistake of turning it off. Wife of former member, Margot Youmans was in town last week and gives her greeting to all. Dan Snell is going forward with Kiwanis Education for new prospective members. Dan's membership committee is one of the most active committee's we have had in recent years. Keep up the good work!!

Pasadena Kiwanis visited us. I think they just wanted to hear Mike Miller. The 7 members were Betty Ford, Mel Smith, Patti Woolman, Reid Allen, Mel Matthews, Joe Moore, and Susan Lyte. I will quote Pasadena member Joe Moore who said, "Who would hire an attorney who could not even get out of jury duty?"

STUDENTS OF THE MONTH

We honored two outstanding students from Longden Elementary School. Accompanying the students was teacher Mr. Greg Shaohan

Miriam Soliman is 11 years old, has an older brother and enjoys playing with her friends and spending time with her family. Miriam said, "The best things about Longden is that everybody is nice, the teacher's help you a lot, and its a very fun school". Personal goals are to build a large building to house very poor people, go to a good college like Harvard, become a doctor, and make a difference in the world.

Priscilla Chong is 12 years old, has a younger brother and sister and enjoys photography, music, and art. Priscilla said, "The best things about Longden are my great friends, everyone is treated equally, and everyone is nice". The best thing that ever happened was finding out she was getting a younger sister. Personal goals are to build a larger home for her families comfort, become a photographer, convince others to go green, and to become a better student.
