THIS TUESDAY

South Pasadena Kiwanis member Chris Glaeser will speak about "A Day in the Life of a Volunteer Diver at the Aquarium of the Pacific"

LAST TUESDAY

Pat Dudley who is a cancer survivor of over 7 years spoke about Writing For Wellness Therapy. Pat has been volunteering for 4 years with the American Cancer Society. The patient has to start by treating their illness not as a disaster, an occasion for depression or panic, but as a narrative, a story. Stories are antibodies against illness and pain. Author Ernest Hemmingway was asked to write a book with only 6 words, his response was "Baby Shoes, For Sale, Never Worn".

Remember we will not be meeting at the Bahooka on Tuesday, March 15th. We will be at the Women's Clubhouse at Kauffman and Woodruff at 7:30 a.m. for our Annual Membership Roundup featuring Yacky Doodle fame Uncle Jimmy Weldon. Governor Tom Millham will also be with us.

Our sympathies go out to Sarah Shatford at the loss of her son Thomas. Mike Miller will be giving a detailed report regarding another successful Pancake Breakfast on Camellia Festival Saturday. Over 317 people were served our famous flapjacks including the one that was so rudely thrown into the car carrying the Grand Marshal and his wife. Space does not permit displaying photos of the winning hat entries.

STUDENTS OF THE MONTH

We honored four outstanding students from Oak Avenue and Cloverly School. Pictured with the proud students Mr. Ron Bridges and Ms. Lynn Tenney.

Ming-Jen is 12 years old and has one older sister. She enjoys helping with the Oak Builders Club, reading, drawing, listening to Asian music, and visiting National Parks. Ming-Jen said, "The best things about Oak are my friends, school lunches, having different classes with different teachers, and the clubs on campus." The best thing that ever happened was moving to America and meeting new friends. Personal goals are to build a monument to symbolize how an Asian girl came to America and achieved many great things, graduate from a top college, learn to speak Korean and Japanese, and visit all the National Parks in the U.S..

Dylan is 13 years old and has an older brother and sister. He enjoys playing baseball and racing BMX bicycles. Dylan said, "The best things about Oak Avenue are the nice teachers, safe learning environment, and great student body." The best thing that ever happened was hitting his first home run in a Little League baseball game. Personal goals are to stop sending troops to the Middle East, build a state-of-the-art baseball park, get a scholarship to Cal State Fullerton, make it into Major League Baseball, and get a college degree.

Victor is 11 years old and in Mrs. Pat Wenzel's class. He has one older brother and enjoys drawing, painting, sketching, reading, experimenting, and playing the violin. Victor said, "The best things about Cloverly are the nice teachers, the cool library, science, math, and social studies." Personal goals are to have school days be a little shorter so he can do his homework, build a time machine, get straight A's, strive to get a Super Star Certificate, and pass the sixth grade.

Jessie is 11 years old and in Ms. Sally Stokes class. She has a younger brother and enjoys ice-skating, watching television, computers, reading, and going to theme parks. Jessie said, "The best things about Cloverly are the huge library, IRC computer lab, the gigantic playground, and awesome teachers." The best thing that ever happened was watching a whole day of television. Personal goals are to build a mechanical tree that makes money, become a pharmacist, get straight A's, and to become a wonderful student and daughter.

QUOTE OF THE WEEK

"What we think, or what we know, or what we believe is, in the end, of little consequence. The only consequence is what we do." - John Ruskin
