THIS TUESDAY

Damien Allen from Habitat for Humanity will be with us again to give an update on the partnership with Temple City starting with The Brush of Kindness.

LAST TUESDAY

Jim Robuck did a good job as "President for the day". Mike AKA Mr. Happy #1 Miller reported that we served about 310 people at our pancake breakfast. In spite of the rain everyone had a good time and a good breakfast. Special thanks to the Key Club for helping. David Seltman from Chef's Restaurant donated the scrambled eggs. Sue Matchett donated Dave.

I don't know of anyone that knows more facts and figures about the Civil War than our own Dan Snell. Dan vividly tells of the war that took place some 147 years ago. I have heard Dan's presentation many times and always come away with more information. Dan's wife June had 2 of her grandfathers serve in the Civil War along with 1 of Dan's grandfathers.

Norm Tyre celebrated his 87th birthday "Bahooka Style" with Kiwanis members and his family of Steve, Monica, Sam, Tony, Tamera, and Phillip.

STUDENTS OF THE MONTH

We honored two outstanding students from Cloverly Elementary School. Pictured with the proud students is Cloverly teacher Mr. Ron Lee.

Stephen is 11 years old and in Ms. Carlson's class. He has an older brother and enjoys playing the piano. Stephen said, "The best things about Cloverly are the great teachers and principal, friendly students, and the fun activities." The best thing that ever happened is having great friends and family. Personal goals are to go green, stop pollution, build a stage full of musical instruments, get into the GATE program, be the best that he can be, and get more awards.

Diana is 12 years old and in Mr. Lee's class. She has an older brother and enjoys singing, playing tennis, writing stories, drawing, and playing games. Diana said, "The best things about Cloverly is the big grass field, all the caring teachers, computers and books in the library." Diana also said the best thing that ever happened was coming to America. Personal goals are to stop animal cruelty, build a water pump for Africa so they can have clean water, get a good paying job, go to a good college, and to stay in pre algebra.

We also honored four outstanding students from Oak Avenue Intermediate School. Pictured with the proud students are Oak teachers Mr. Aaron Loomis and Mrs. Winnie Joe.

Mary is 13 years old and enjoys drawing, art, and music. Mary said, "The best things about Oak are how the teachers allow us to think freely, better lunches, friendly people, and no uniforms." The best thing that ever happened was when she built a computer from parts. Personal goals are to inspire everybody to be optimistic, build a flying car, receive 4.0 GPA every quarter, to survive algebra, and to wear a smile everyday.

Michael is 12 years old and has a younger sister. He enjoys basketball, football, and has an interest in medicine. Michael said, "The best things about Oak is the quality education with top grade teachers, friendly environment, and no fighting or profanity." Personal goals are to build a school for those that do not have the opportunity for education, attend a Ivy League college, become a doctor, and strive for scholarships.

Michelle is 13 years old and has a younger brother and sister. She enjoys technology, basketball, swimming, playing and listening to music. Michelle said, "The best things about Oak are the nice teachers, awesome field trips, and interesting events." The best thing that ever happened was being asked to attend the Junior National Leadership Conference in Washington, DC. Personal goals are to improve the economy, get good grades, attend Harvard with a scholarship, get an enjoyable and awesome job.

Jeffrey is 12 years old and has three brothers and sisters. He enjoys basketball, doodling, and dreaming. Jeffrey said, "The best things about Oak are the great staff, freedom, and the lunches." The best thing that ever happened is meeting new friends. Personal goals are to change the government, build a problem solving machine, get straight A's, play basketball better, and make everyone his friend.
