MARCH 10, 2015 TUESDAY 12:00 P.M. VOL. 76 NO. 23

THIS TUESDAY

Nick Pon will give us the rest of the story regarding the 2015 economic outlook.

LAST TUESDAY

Darla Kim and Kathy Hatch spoke to us about the work of Deaf Ability Resource located in Highland Park. Kathy is also a resident of Temple City and is deaf. The mission of Deaf Ability is to inspire innovative solutions to enrich the quality of life for persons who are deaf, hard of hearing, deaf-blind, latened deaf and deaf at risk. Deaf actress Marlee Matlin and Kathy are good friends. Did you know that sign language originated in France?

Darla brings a record of exceptional leadership and strategic vision with a broad knowledge of deaf culture, American Sign Language (which is not International) and the business of providing employment and supportive services. Darla has an appointment from the State of California to the Deaf and Hard of Hearing Advisory Committee. Prior to providing social services to the community, Darla served internationally in medical missions to 35 different countries.

Our club was honored by the Temple City Council PTA and their annual Founders Day Dinner. We received the Golden Oak Service Award. It is the most prestigious PTA award in California. Ron and Barbara Dorazio were the recipients of the Honorary Service Award from Longden School. Those in attendance were Sue Matchett, Ron and Barbara Dorazio, Matt and Janet Smith, Rich and Pat Wenzel, Mike Lepore, Rob and Carole Rodenbucher, Steve Montesanti, and Jerry Jambazian.

Sunday, March 15, there will be a Kiwanis 100 year service celebration at the Anaheim Convention Center entitled "Up with People," that will also be celebrating a new CNH and Key Club playground at Woodcrest Park in Fullerton. Tickets for the Up with People event are \$20 for adults, \$30 for reserved seating, and \$50 for VIP tickets that includes a brunch with Kiwanis President John Button.

The CNH Governor's official visit will be March 21 at Rosemead Open Bible Church, 7915 Hellman Ave. Cost is \$25. Lt. Governor Ernie Arnold request that we have a good showing from our club.

April 3, Good Friday, the Altadena Club will be hosting its annual Prayer Breakfast at the Altadena Baptist Church, at 7.30 am. All clubs are encouraged to participate.

Blue Star Sharon Johnson would like you to donate Girl Scout cookies to our troops. You can bring them to our club meeting at give to Rich Wenzel. We received a thank you note from Elizabeth Devers from Ronald McDonald House. Sue Matchett and Tony Euredjian recently celebrated their birthdays.

Please remember to pray for and also visit long-time members Elmer Black and John Chandler. They are such an important part of our club's history. I can almost guarantee that they would rather be with us on Tuesday's. Also, don't forget Ron Dorazio who is taking treatments for bladder cancer at City of Hope for six weeks.

STUDENTS OF THE MONTH

We welcomed two outstanding students from Cloverly Elementary School. Accompanying the happy students was teachers Mrs. Sally Stokes.

Hana is 11 years old and in Mrs. Stokes' class. She has three brothers and sisters and enjoys basketball, reading, writing, history, and art. Hana said, "The best things about Cloverly are the library, all the nice teachers, and my school friends." The best thing that ever happened was becoming a Student of the Month. If she could change one thing, it would be to get A's in all her B subjects, except history and writing. If she could build one thing, it would be a building where you could buy books and bricks. Personal goals are to get good grades, a scholarship to a good college, and play basketball for all her life.

Joey is 11 years old and in Mrs. Carlson's class. He has three brothers and sisters and enjoys baseball, chess, reading, climbing trees, video games, science, Boy Scouts, and being Student Council President. Joey said, "The best things about Cloverly are the Student Council, recess, and everyone there is awesome and very nice." The best thing that ever happened was having the privilege of going on the California Heritage trip, the Washington, D.C. trip, and the Catalina trip. If he could change one thing, it would be to find a cure for cancer. Personal goals are to construct buildings in space, keep getting straight A's, play baseball, and earn his Eagle Award in Boy Scouts.
