THIS TUESDAY

We will not be swimming with the fishes at the world famous Bahooka. Instead we will be having our annual membership round-up breakfast meeting at the historic Women's Clubhouse AKA The Historical Society. Among the stellar guest list are Cal-Nev-Ha Governor Tom Millham with a pep talk by Yackky Doodle fame Uncle Jimmy Weldon. Breakfast and program will be from 7:30 to 9:00 a.m..

LAST TUESDAY

Chris Glaeser is a volunteer diver on Friday's at the Aquarium of the Pacific. Chris is also President of South Pasadena Kiwanis.

Some things I learned were diving started in 1853, You have to be a Certified Rescue Diver to volunteer at the aquarium. The youngest is 23 and the oldest 73 (Sorry Dan and Norm). The fish are fed restaurant quality food

Congratulations to Temple City graduate Steve Linsey for another successful Discovery launch and more important return. Just another TC grad that has reached their goal of "The sky's the limit".

Congratulations to Norm Tyre celebrating his 88th birthday.

Temple City begins its first ever Certified Farmers Market in the City Hall parking lot. Time is from 8:30 to 12:30 every Sunday morning rain or shine. Certified means the seller has to grow what he is selling.

STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Pictured with the proud students is math teacher Mr. Greg Giangregorio.

Lexi is 11 years old and in Ms. Parrille's class.

She has two sisters and enjoys volleyball, going to movie theatres, and hanging out with her friends. Lexi said, "The best things about Emperor are the nice teachers, great Principal, and nice friends." The best things that ever happened are their family reunions. Personal goals are to have world peace, build homes for poor and ill people, get good grades, and be closer to God and heaven.

Taylor is 11 years old and in Mrs. Scanlan's class.

She has a younger sister and enjoys yoga, being with her friends, reading, playing the guitar, camping with her family and playing with her dog. Taylor said, "The best things about Emperor are our great Principal, Ms. Perini, the nice teachers that care about our education, and the fun activities such as Student Council, Kid Tech, and Pals' Club." The best thing that ever happened was going to Washington, D.C. in the fifth grade. Personal goals are to build a hospital for people without insurance, to do better at Math, to help others in need, and try her hardest at everything and never give up.

Man-Yi is 12 years old and in Mr. Giangregorio's class. She enjoys playing sports, reading, and hanging out with her friends. Man-Yi said, "The best things about Emperor are my great Math teacher, Mr. G, the helpful, nice students, and getting a good education." The best thing that ever happened was moving to Temple City and attending Emperor. Personal goals are to end peoples' suffering, build a soup kitchen, get straight A's, get into a good college, and have a successful future.
