THIS TUESDAY

Chris Golder from Foothill Home Care will talk to us about a subject that will eventually effect each of us, "Senior Safety".

LAST TUESDAY

Darleen Chaputa is the Water Conservation Coordinator for the San Gabriel Valley Water Company. Darleen grew up in Temple City, moved to two other cities, moved back to TC and now has 4 children attending the best school system in the State. Did you hear that Gov. Arnold??

The big buzz words today are water, or our lack of it. Remember all that rain that we got in February?, The Department of Water Resources said it did little to solve the problem of eliminating drought. We are almost at the point of mandatory rationing. The #1 use for residential water is our lawns and landscape.

Those paying bragging fines for the day were Dan Snell welcoming his 14th Great Grand Child, Tony Straub with a mere 5. Chuck Souder is proud of Frankie Guzman who made the JV team at TCHS and is doing great. Our thoughts and prayers are with Tony Euredjian as his mother is recovering from a stroke. She is at Arcadia Methodist Hospital. Associate Pastor Sam Hodson from Temple City First Baptist Church paid us a visit.

FINAL CITY COUNCIL ELECTION RESULTS

After all the provisional ballots were counted on Tuesday the final results are as follows: Vincent Yu with 1,944, Tom Chavez with 1474, Chuck Souder with 1,135, Ken Gillanders with 729, Cathé Wilson with 705, and Silenus Ong with 422. 6,409 total votes, 3,554 ballots, 21.6%.

STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Accompanying the students was teacher Mrs. Shelly Scanlan. Our speaker for the day was a former student at Emperor and former student of member Richard Wenzel who taught 5th grade. Also on hand was TCUSD Chief Business Official, David Jaynes who witnessed his daughter receiving her award. We enjoyed reading 3 thank you notes complete with artwork from former Emperor recipients.

Sierra Singer is 11 years old and in Mr. Giangregorios' class. She has two older sisters that have also received Student of the Month honors. Sierra enjoys softball, swimming, reading, and yoga. The best things about Emperor are the fun assemblies, great privileges, and the great staff that helps you when you need it. Personal goals are get people to recycle, build a park for the disabled, attend a good college, play softball for a good team, and become a doctor.

Calvin Wang is 11 years old and in Mrs. Scanlans' class. Calvin enjoys baseball, reading, science, and outdoor activities. The best things about Emperor are the nice teachers, fun activities, and receiving a good education. The best thing that ever happened was when he moved to America. Personal goals are to change global warming, build an environmentally healthy homeless shelter, graduate from college, and become a scientist or a pro baseball player.

Julianna Jaynes is 11 years old and in Ms. Taylors' class. Julianna enjoys reading, playing the cello, art class, playing tennis, and working on her math skills. Julianna said, "The best things about Emperor are the fantastic lessons I get to learn, my Principal Ms. Perini and all my teachers, and getting to see my friends every day". Personal goals are to make sure no one would go hungry, get vaccinated against diseases, go to college and get good grades, and to make the world a better place.
