LAST TUESDAY

Wells Fargo Bank was well represented by Judy Ho and Nick Pon. Judy is from the Temple City branch and is a Home Mortgage Specialist. Nick has a 13 year career with Wells Fargo and is the former manager of the Temple City branch.

Judy has over twenty years in the mortgage business and has worked for Cal Fed, Great Western, and Indy Mac. After those three she is real happy to be with Wells Fargo now. Nick began his career with Wells Fargo as a teller in 2002 and is now a Regional Private Banking Relationship Manager. That means he helps people with a lot of money to invest.

Home loans are still difficult to obtain with the new lending buzzword of "Responsible Leading". There is no bad time to buy bonds. US dollars are the most traded commodity in the world.

When interest rates hover near historic lows for extended periods of times, it becomes easy to forget that what goes down will eventually come back up. However, rates will generally begin to rise as an economy rebounds. There are several ways that investors can cash in on rising rates, such as buying stocks of companies that consume raw materials, laddering their CD or bond portfolios, strengthening their positions in the dollar and refinancing their homes.

Sunday, March 15, there will be a Kiwanis 100 year service celebration at the Anaheim Convention Center entitled "Up with People," that will also be celebrating a new CNH and Key Club playground at Woodcrest Park in Fullerton. Tickets for the Up with People event are \$20 for adults, \$30 for reserved seating, and \$50 for VIP tickets that includes a brunch with Kiwanis President John Button.

The CNH Governor's official visit will be March 21 at Rosemead Open Bible Church, 7915 Hellman Ave. Cost is \$25. Lt. Governor Ernie Arnold request that we have a good showing from our club.

April 3, Good Friday, the Altadena Club will be hosting its annual Prayer Breakfast at the Altadena Baptist Church, at 7.30 am. All clubs are encouraged to participate.

Please remember to pray for and also visit long-time members Elmer Black and John Chandler. They are such an important part of our club's history. I can almost guarantee that they would rather be with us on Tuesday's. Also, don't forget Ron Dorazio who is taking treatments for bladder cancer at City of Hope for six weeks.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. Accompanying the happy students was teacher Mrs. Mary Ann Geis.

Jaye is 12 years old and in Mrs. Scanlan's class. He has four brothers and sisters and enjoys drawing, writing short stories, reading, and making videos. Jaye said, "The best things about Emperor are the nice and funny teachers, the nice kids, and great food." The best thing that ever happened was being a Prince in the 2010 Camellia Festival (his brother Gianni was King this year). If he could change one thing, it would be to have more libraries. If he could build one thing, it would be a machine that would give you whatever you wanted. Personal goals are to go to USC, become a video game creator or novelist, and have a good and fun life.

Kathy is 12 years old and in Mrs. Geis' class. She has a brother and sister and enjoys sketching in her free time. Kathy said, "The best things about Emperor are the teachers and staff are really nice, the great assemblies, and Principal Westgate is cool." The best thing that ever happened was when her baby brother was born. If she could build one thing, it would be a machine that can make anyone's dream come true. Personal goals are to have world peace, succeed in school, get into a good college, and have a good future.

Madelyn is 12 years old and in Mr. Giangregorio's class. She has an older brother and enjoys writing, drawing, and learning. Madelyn said, "The best things about Emperor are my friends and teachers, the education I receive, and the lunch food." The best thing that ever happened was when she got her Corgi/Retriever, Charlie. Personal goals are to make sure everyone has a decent meal every night, build an orphanage that treats kids with kindness and respect, go to New York University or Columbia University, get a job at the New York Times, and travel around the world.
