THIS TUESDAY

Do not go to Sir Georges for lunch. We will be meeting at the Temple City Historical Museum at Woodruff and Kauffman (just above the fire station). Museum President Nick Gladis will give us a tour of many artifacts that have been collected through the years. We will also have CLC students with us Tuesday. We will be having a catered lunch, if you are bringing a guest please let Steve Montesanti know in advance.

LAST TUESDAY

Chuck Souder did a great job filling in for Mike Lepore who had a bad cold. I personally have information that he caught this terrible cold when Judy kicked him out of the house in the middle of the night after learning that he made 3 1/2% commission instead of 2 1/2%.

I knew we were in trouble at 12:25 and still no program. Wells Fargo manager Julie Shen (prospective member for 3 years) was supposed to fill us in on banking and instead sent a somewhat disinterested subordinate named Julie Min Xiang. Julie read a prepared speech for 10 minutes with no reaction. She really had my attention when I learned that I could make 1/4% interest on my savings! Oh, did I mention? I bank at the TC office of Wells Fargo.

I received an e-mail from Field Representative Bill Hackett with Assembly Member Anthony Portantino's office asking if he could visit. Since we still had 15 minutes, I asked Bill if he could tell us the State of the Union. Bill gave a not so rosy picture of the 16 Billion state deficit.

Assembly member Portantino is a member of the La Canada/Flintridge Kiwanis Club and is Chairman of the Higher Education Committee. In his short term in office he authored the umbilical cord bill and is fighting for more reasonable salaries for administrative staff at state universities. Governor Arnold signed 5 of 7 bills authored by Anthony.

Note to Program Chairmen: Better have a back-up program if you don't want to hear from me.

STUDENTS OF THE MONTH

Emperor Elementary school brought 3 outstanding students to be honored. Accompanying them was Emperor's Barney Miller and nice guy teacher, Mr. Greg Giangregorio. We were truly impressed when all 3 students gave a short speech. An all time first, Congratulations Emperor!

Tiffany Poon is 12 years old and in Mr. G's class. Tiffany has a younger sister and enjoys swimming and reading books. The best things about school are learning math, reading, and science. Personal goals are to get straight A's, and better grades in history.

Ivy Choi is 11 years old and in Miss Mary Ann Parrille's class. Ivy has two older sisters and enjoys reading and playing the viola. The best things about school are her friends, her teachers, and the clean campus. Personal goals are to build a time machine, get straight A's, go to a good college, and get a good job.

Betty Wang is 11 years old and in Mrs. Shelly Scanlan's class. Betty has two sisters and enjoys playing the piano, drawing, computers, and studying the Japanese culture. The best things about Emperor are the high standards and academics. Personal goals are to build a homeless shelter, become a lawyer, attend Harvard University, and to become famous. Betty is grateful for all the friends she has made at Emperor school.
