MARCH 19, 2013 TUESDAY 12:00 P.M. VOL. 74 NO. 23

THIS TUESDAY

Pregnancy Help Center Executive Director Jane Chavez will be our speaker for the day.

LAST TUESDAY

We did not have a program for the day which was probably a good thing as we were in some confusion. We had our first meeting at Denny's with just a few glitches that need to be worked out.

The room was set up for 24 people. The hospitality committee will explore setting up the room to accommodate a few more people with a better flow. Also, some attention will be given to getting the food order to the waitress in a more timely manner.

All in all it seemed to be a good experience for the first time out. At least we are meeting in Temple City!!

Your editor Jerry J hit the trifecta with all 3 drawing numbers being picked. Also, Jerry J. celebrates 43 years in Temple City Kiwanis on the 17th. Local citizen and real estate agent Watson Gan was a guest of the club.

San Gabriel Kiwanis has picked up the sponsorship for the Key Club at San Gabriel Academy. This makes 5 Key Clubs sponsored by them.

Dan Snell paid for his granddaughter who lives in Colorado. When Dan was overseas in Europe for 2 years during World War II, his wife June kept all the letters she received from Dan during that time. Their granddaughter published another new book entitled "Letters Of Love" which is a compilation of those treasured letters of a serviceman.

STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Pictured with the students is teacher Miss Mary Ann Parrille.

Claudia is 11 years old and in Mr. Giangregorio's class. She has an older sister and enjoys listening to music, spending time with friends and family. Claudia said, "The best things about Emperor are the Principal and teachers, the rules are not strict and help you stay out of trouble." Personal goals are stop all the wars and have peace, build a foundation or hospital to help cancer patients, set a high academic standard for herself, and to have an impact on the world and her community.

Evan is 11 years old and in Miss Parrille's class. He has a brother and sister and enjoys collecting and playing with Yugioh cards, and reading books. Evan said, "The best things about Emperor are meeting my friends, the academic purpose, recess, and social time." The best thing that ever happened was joining the Emperor family. Personal goals are to have an unlimited supply of water, build a center for people to go during a natural disaster, attend a good university, get a fun and profitable job, buy a computer laptop, iPad and iPhone when he becomes a adult.

Faith is 12 years old and in Mrs. Scanlan's class. She enjoys spending time with family, babysitting her younger cousins, helping out, and listening to music. Faith said, "The best things about Emperor everyone is warm, welcoming, and kind, all the fun activities and assemblies, and you are taught to be a good person." The best thing that ever happened was going to Emperor and learning new things. Personal goals are to cure all sicknesses in the world, build a school, get straight A's, receive an award every school year, and become a good person with a big heart.
