## THIS TUESDAY

Diane Bade of Methodist Hospital in Arcadia, will present to us a power point presentation on the growth of Methodist Hospital over the years.

## LAST WEEK

Dan Arrighi gave us the joys and tribulations of being Mayor of 35,000 people. Dan is truly one of the good guys in city politics. He ran on the promise of cleaning up Rosemead Blvd and he accomplished it. Gone are the weeds, trash, and abandoned vehicles.

I don't know if you know, but council members receive \$500 per month plus some other benefits. Dan gives away all his money to anyone in need, especially youth groups. What is better than having 3 attorneys in one room? Having 3 former Mayors, Dan Arrighi, Lou Merritt, and Chuck Souder.

Mike Miller would like volunteers to house girls that will be visiting with us for Farm City. The date is April 11th, let him know.

Guest of the Club and Altadena resident Crayton Williams visited us again. He will be attending Kiwanis education with Chuck Shaw and Bob Tyler. He just might join when Tyler gets through screaming at him.

## STUDENTS OF THE MONTH

Emperor teacher Ms. Krista Carlson brought 3 outstanding students to be honored.

**Aimee Newell** is 11 years old and has an older brother and sister. Aimee enjoys soccer, softball, snow and water skiing. Aimee's goals are to build a machine to feed everybody, get straight A's, home run in softball, and a goal in soccer.

**Michelle Burton** is 12 years old and has five brothers and sisters. Michelle enjoys taking care of her pets and collecting animal decorations. The best things about school are the teachers, students, writing and science. Personal goals are to build a shelter for people and pets, get good grades, know more about animals, and be a good writer.

**Susan Huang** is 12 years old and has a younger brother. Susan enjoys the computer, internet, writing, music, movies, shopping, dancing, sports, and hanging out with her friends. The best things about school are the staff and student relationships, making new friends, and increasing her knowledge. Personal goals are to get straight A's, meet new people and make new friends, and participate in any academic or social opportunity.
