MARCH 25, 2003 TUESDAY NOON VOL. 66 NO. 26

PROGRAM

Anne Stillman from the Speakers Bureau of the Women Lawyers Assn. of Los Angeles, founded 84 years ago and which now has female and male attorneys and judges. She will present an interesting topic:

"Elder Law"

LAST WEEK

Jim presented episode 2 of the Three Irish Tenors. May I suggest that we conclude with just one rendition of Danny Boy and cut out all that Irish massacre of English. Ok, ok, I say this to annoy my good wife, whose maiden name is Brady.

Mike Miller attended the International Key Club Convention, joining Temple City Key Club, Div. 10 Lt. Gov. Anthony Ma, and other Temple City Key Club members. Mike served as a chaperone; Janice and Bob provided transportation.

STUDENTS-OF-THE-MONTH REPORT FROM JERRY

The Community Learning Center visited us with two honor students. Principal Dr. Doug Sears along with teacher Rod Kingry, brought Joanna Jiminez and Alex Cota.

Joanna said the greatest thing that ever happened to her was when her daughter Mia was born. She would like to receive her diploma, have a good career, and get a car.

Alex likes web designing, animation, and cartoons. The best thing that ever happened to him was enrolling at the CLC. Alex wants to go to college, become a world class chef, and to return to school in ten years to share his successes.

Dr. Sears thanked the club for their many years of supporting the CLC. Did you know that the CLC is a California Model Continuation High School?

NEWS FROM ANOTHER KIWANIS CLUB

San Gabriel Kiwan-o-Gram said of us "You will find this club to be an interesting group of Kiwanians so bring your ear plugs if possible!" Perhaps one of their number sat next to Mike Lepore? We are indebted to their reprint from the Lower Cape Cod, Mass Kiwanis Club, as follows:

"If lawyers can be disbarred and clergymen defrocked, doesn't it follow that electricians can be delighted, musicians denoted, cowboys deranged, models deposed, tree surgeons debarked, and dry cleaners depressed?" Ah, its Jerry Jambazian again; I'm just dis-functional.

HISTORICAL NOTES

The war system prevailed in its then form in WWI; 200 regiments had lined on each side until wham! The carnage started. Woodrow Wilson's vision, the League of Nations would wipe out war, which it didn't when Hitler ran amok. The United Nations was officially founded on June 26, 1945 in San Francisco. Yr. Ed. was one of two Navy officers guarding the U.S. Sec'y of State. The U.S. and the Soviets then reached a balance in the ability to destroy the world. Now, we have various fragile possessors of the ability to do great nuclear damage.

NO JOKE AT THIS TIME

The Iraq War and its casualties will either about to start or have started by the time this reaches you. We'll omit the joke at this sad time.

SEE YOU TUESDAY,
