MARCH 28, 2006 TUESDAY 12:15 P.M. VOL. 69 NO. 13

THIS TUESDAY

Well, I think we finally found a way to get our own member to attend our club meeting, make him the program! Our award winning investigative team has discovered that he is living with another one of our errant members.

Captain Bob Hewitt from our own Station 47 will share with the club some of his adventures in the life of a fire and rescue tech.

LAST WEEK

Diane Bade and Diane Francis gave an excellent presentation on the ever expanding needs and growth of the Methodist Hospital. There are plans to build a 100 million new building to take care of more than 40,000 ER visits per year. On Saturday, December 18, 2005 the ER serviced 160 patients, an all time high. I have wondered why the Arcadia paramedic truck is followed by an ambulance going west on Las Tunas, its because the ER is full at Methodist and they have to go elsewhere.

Bob Tyler was complaining about being shoved out in the hall with his cut finger, while they had the audacity to care of someone with a heart attack first.

Mike Miller would like volunteers to house girls that will be visiting with us for Farm City. The date is April 11th, let him know.

Guest of the Club Crayton Williams has received his Kiwanis Education from Chuck Shaw and Bob Tyler. Crayton will be inducted into the club Tuesday, assuming he passes the physical.

STUDENTS OF THE MONTH

CLC principal, Dr. Doug Sears and school secretary, Suzie Ten Napel brought two outstanding students.

Francisco Acevedo is 16 years old and enjoys drawing, video games and girls. Francisco likes the teachers and staff, students, and classroom structure. Goals are to pass High School, go to college, and become a game designer.

Noemi Torres is 17 years old and enjoys art and walking. The best things about school are learning new things, the friendly people, and reduced pressure. Goals are to invent a cure for cancer and aids, graduate from high school, and get a good job.

CELL PHONES

As a courtesy to our program speakers and members, please **turn off** your cell phone and pager. If you feel you must have it on, set it to "vibrate" or "silent" and go out of the room to complete your call.

LISTEN UP DAN SNELL

Oak Avenue Intermediate will be having its annual Civil War Day this Friday, March 24th from 9:10 a.m. to 2:40 p.m.. They will be having an exciting line up of re-enactors including a real civil war cannon, muskets, cavalry and much more.
