MARCH 30, 2010 TUESDAY 12:00 P.M. VOL. 71 NO. 26

THIS TUESDAY

President and CEO of our Chamber of Commerce will give an update of recent activities and programs that benefit all that live and do business in our city.

LAST TUESDAY

We had 2 CPA's in the room last Tuesday. Mine is Cleaning, Pressing, Alterations. Steve's is Certified Public Accountant. I made a deal with Steve a long time ago. He doesn't press pants and I don't do accounting.

Steve began his talk by introducing the newest member of the Tyre Team, his son Tony who talked briefly about long term health care. Steve then basically said the Internal Revenue Service is in shambles. First time home buyer credit will expire soon. Health Savings Account seems to be a good thing. Get back \$1,500 with energy credits. Elder planning includes getting rid of timeshares, get rid of boats and RV's, downsize home, and contact utility companies for breaks.

Ten top ways to avoid an audit: Be good at math, Don't be too rich, Don't be too poor, Live within your means, Don't lose money, Remember that you are married (or not), Don't claim the wrong number of dependents, Report all income, Learn to type, and be normal.

Guest of the Club in attendance were Frank Deckon, Michael Palmer, and Dave Seltman. Dave's mother-in-law Lucera was the official babysitter of Dave's new daughter.

Dan Snell celebrated his 89th birthday along with "Mr. Medicare+1" Jerry Jambazian. Tooth doc Tony Euredjian celebrated 10 years of marriage to Marlene and 3 wonderful children.

Good to see Bill Hohl back with us. He has been battling skin cancer on his face. John Chandler has finished his radiation treatments and reports that test results have been positive. Ron Dorazio's wife Barbara is having knee replacement surgery.

We went from "I'm working on it" to "We did it". Mike Miller, Chuck Souder, Chuck Shaw, and Richard Wenzel made an interclub at Oak Avenue Builders Club.

It is with great sadness that I report the passing of John Zubrick. John has been a long time Temple City resident and Chamber Board Chairman. John was a youthful 91 years old with a wonderful attitude and a zest for life and people. We both served on the WASC accreditation committee for the Dr. Doug Sears Learning Center which John has established a family scholarship for deserving students. He also established the Public Schools Recognition program through the School District some 16 years ago.

John has lived in Temple City for 41 years. John retired after working 40 years for Aluminum Company of America. He was selected Temple City's Outstanding Older American. He was presented with the Public Schools Award in 1997 and the Golden Apple in 2002. He was a proud member of the Arcadia Masonic Lodge since 1944. Most recently the Lodge dedicated the new library and museum to John.

John was a special friend to me. He might have been last in the alphabet but he will always be first in my heart with his great attitude, wisdom, always a gentle and caring spirit. I was lucky to have a friend in John and I will miss him greatly!!

STUDENTS OF THE MONTH

We honored two outstanding students from Longden Elementary School. Pictured with the proud students is their teacher Mr. Bruce Bremer.

Daniel is 11 years old and has 4 brothers and sisters. He enjoys playing basketball, video games, soccer, and spending time with his brothers. Daniel said, "The best things about Longden are my teachers, my friends, and the clean campus." The best thing that ever happened was when he went to soak city with his family. Personal goals are to build a huge building for homeless people, end drug use, do his best in school, be the best brother and friend to his little brothers, and spend his life happy and never give up.

Ricky is 11 years old and has a brother and sister. He enjoys all sports including baseball, basketball, and football. Ricky said, "The best things about Longden are the math classes, spelling, and science." Personal goals are to build a baseball field and play more sports.
