FARM-CITY

We got Mike Miller to make a full report on the Farm-City doings. Here 'tis:

"Division 18 students and adults were treated to a private tour of the Sony Pictures Studio (formerly MGM then Columbia Pictures) located in Culver City. Sound stages once used for motion pictures like the Wizard of Oz and Gone With The Wind are now used for some movie productions, but primarily television productions such as Jeopardy, King of Queens, Joan of Arcadia and The Guardian. The adults were interested in the studio's history while the younger people seemed interested in the cars that certain celebrities may or may not own. Overall, a real working tour, not Universal, that would be worth taking. Our guests were taken to the historic Griffith Park carousel later that same day. The next morning the group received a grand tour of Santa Anita Race track with a former jockey showing them everything including the jockey changing room with the many racing silks. It seemed that Santa Anita really outdid themselves this year. The Farm City program concluded with a trip to the Science Museum across from that Grand Old University for Spoiled Children. The trip up north will be in the fall. A good job by Royce Foster and the committee. Don Latham would have been proud."

BUILDERS CLUB AT OAK AVENUE

Pres. Mike has also been on top of this. The Oak Avenue Builders have petitioned to be recognized as such by Kiwanis International!

Teacher-Advisor is Winnie Fan, who herself was a Key Club Member at La Canada. She will probably speak to us at the Spring Break.

Believe it or not, the Oak Avenue Builders has done a lot of community service and their scrapbook is in line to win an award (even though they are not yet officially authorized).

Toothprints also at Oak Avenue. We need volunteers to handle 400 7th graders for the last of the screening for the TCUSD. Friday, April 30th.

THE QUICK TEST ANSWER

The answer is six, as you will see by the underlined f's.

FINISHED FILES ARE THE RE-
SULT OF YEARS OF SCIENTIF-
IC STUDY COMBINED WITH THE
EXPERIENCE OF YEARS.....

THE TEMPTATION OF YR. ED.

His nasty thought: To just give you a blank sheet of paper. My cooler self, with Mike coming through with great cooperation, prevailed.
