APRIL 8, 2014 TUESDAY 12:00 P.M. VOL. 75 NO. 29

THIS TUESDAY

Duarte residents Alan and Claudia Heller made a life-changing decision in 2010, the year of their 66th birthdays: retiring from their professional jobs, they bought a small trailer and set out to rediscover the celebrated nostalgia along Route 66. Traveling from the Santa Monica Pier to Chicago, the Hellers wrote articles for a local paper and took photos along the way, documenting their experiences.

LAST TUESDAY

Lt. Governor Ernie Arnold made his official visit to our club. It was refreshing to not hear the same old thing again about membership. Ernie's focus was not focusing on what we do, but who we are. The clubs in Division 10 are suffering from succession in leadership along with the Division. The only reason Ernie re-upped was there was no one in line for leadership.

A Kiwanian has a heart for service. You don't join the organization, you join the people in the organization. You are part of a family. You may have come into Kiwanis for a specific reason but as soon as you see how you can make a difference in our youth, your membership has new focus.

Jackie Millham will celebrate her 90th birthday on April 5 at the Historical Society Building from 1 to 5 p.m.. Five Key Clubbers will be there along with seven of our own members. Please be available to help in any way you can. Happy Birthday also to Willie Gross who turns 94.

We will be helping barbecue for Maryvale Orphanage from 10:45 a.m. to 12:30 p.m.. on Sunday, April 13. Meet by the driveway near the Early Education Bldg. We will barbecue for 175 guests with 4 members at the grill. Due to limited space it would be good to carpool.

STUDENTS OF THE MONTH

We honored two outstanding students from Cloverly Elementary School and four from Oak Avenue. Accompanying the students was Principal Stephen Martin Edo, Teresa Saldana, Arron Loomis, and Winnie Joe.

Kody is 12 years old and is in Ms. Saldanas' class. He has an older sister and likes to play basketball, play video games, and listening to music. Kody said, "The best things about Cloverly are the great assemblies, teachers, and the Instructional Resource Center." The best thing that ever happened was being born. Personal goals are to stop violence in the world, construct a building in space, go to college, become a professional basketball player, and read 1000 books.

Shawn is 11 years old and is in Ms. Carlson's class. He has an older sister and enjoys playing the violin, playing basketball, science and astronomy. Shawn said, "The best things about Cloverly is the friendly, helpful atmosphere, and the diversity of Cloverly by sharing new ideas." The best thing that ever happened was when his parents signed him up for Pre-Algebra in the 5th grade. Personal goals are to help homeless people, build a peace monument, become a better violin player, get on the honor roll, and focus on the subjects he struggles in.

Jakob is 12 years old and has a younger sister. He likes to cook and play hockey. Jakob said, "The best things about Oak Avenue are the nice teachers, the great opportunities for students to succeed, and the safe school." The best thing that ever happened was going to Paris, France and London, England last summer with People To People. Personal goals are to help homeless people, become a better hockey player, cook more complex food, and become better at math.

Kristian is 12 years old and has an older sister. He enjoys riding his ATV with his family. Kristian said, "The best things about Oak Avenue are the seeker team teachers, variety of electives, and the personable students." The best thing that ever happened was zip-lining in Alaska and seeing wild animals. Personal goals are to stop wars, build a flying car, get a 4.0 GPA for the 7th grade, to exercise more, and visit his dad more often.

Stephanie is 12 years old and has a younger brother. She enjoys playing the piano, alto sax, and ukulele, along with art, reading, dancing, and traveling. Stephanie said, "The best things about Oak Avenue are the teachers, music program, and the snacks in the food shelter." The best thing that ever happened was being in "The King and I", and marching in the Disneyland Parade. Personal goals are to lower taxes on the middle class, build an amusement park, get straight A's, go to USC, and become a lawyer or judge.

Charlotte is 13 years old and has a younger sister. She enjoys reading, writing fiction, and spending time with her family. Charlotte said, "The best things about Oak Avenue are the teachers are always willing to help struggling students, the library, the extra programs that bring out the artistic side of students." The best thing that ever happened was going to the Grand Canyon and being close to nature. Personal goals are to do away with poverty and hunger, solve the greatest mysteries, explore the world, realize her mistakes and fix them, and take responsibility for caring for her younger sister.

QUOTE OF THE WEEK

"I think high self-esteem is overrated. A little low self-esteem is actually quite good... Maybe you're not the best, so you should work a little harder." - Jay Leno
