THIS TUESDAY

Mayor Pro Tem Carl Blum will speak about the Rosemead Blvd improvement project.

LAST TUESDAY

Deputy Rick Adams is the Special Assignment Deputy for Temple City. He has been with LASD for 25 years with the last 17 at Temple Station.

One of the duties of Rick to keep Temple City the 40th safest city in the United States is to spearhead the new and revamped Neighborhood Watch program. The city is broken into 12 areas with 1 area being focused on each month. A free dinner is served and a fast paced program is led by Rick. They are well attended with between 60 and 90 in attendance. Information is given with emphasis on homeowner safety, traffic, and crime trends. Audience participation is always encouraged.

Deputies within the LASD system have not received a pay raise in 5 years. My thought was if a deputy has been with the department for 25 why haven't they risen to the rank of Sergeant or Lieutenant? Rick gave the answer that with overtime he makes more than the average Sergeant or Lieutenant. Rick is really one of the good guys who really cares about Temple City. He even has family living here.

On April 11 Rich Wenzel would like help putting labels on the Scholastic books. It will only last about 1/2 hour at his house at 9:00 a.m.. Congratulations to Tony Straub for reaching the wonderful age of 87 on the 11th also. Six of our members attended the Altadena Prayer Breakfast. Mike Miller, Sue Matchett, Dan Snell, Jim Robuck, Frank Deckon, and Pres. Jerry Backstrom. Thanks also to all the members that helped at the Easter event at Live Oak Park. There are more items to report such as our recognition at the City Council meeting but as you can see by the size of the font, no room.

STUDENTS OF THE MONTH

We honored seven outstanding students from Cloverly, Emperor, and Oak. The teachers that brought them were Mrs. Andrea Saldana, Mrs. Shelly Scanlan, and Mrs. Winnie Joe.

Caley is 11 years old and in Mrs. Saldana's class. She has a younger brother and enjoys singing, reading, and watching movies. Caley said, "The best things about Cloverly are the great teachers and staff, the fun school, and learning new things each year." The best thing that ever happened was being Student of the Month. Personal goals are to become more confident, build another wonder of the world, go to college, get good grades throughout middle and high school, and to become famous one day.

Sophia is 12 years old and in Ms. Carlson's class. She has two younger sisters and enjoys reading, drawing, coloring, and playing basketball. Sophia said, "The best things about Cloverly are the great library, Principal Edo and the teachers, and recess which gives us time to be with friends." The best thing that ever happened was being Student of the Month and a role model. Personal goals are to stop bullying, own a gift shop that sells cards and toys that have little sayings on them, get good grades, be a good role model throughout the school year, and to make sure she uses correct grammar when she speaks.

Alex is 11 years old and in Mr. Giangregorio's class. She has a younger sister and enjoys softball, soccer, music, reading, and antique radios. Alex said, "The best things about Emperor are the academics are really challenging, the amazing teachers, and the staff that strives to better ourselves." The best thing that ever happened was getting her first soccer MVP. Personal goals are to stop hunting, build a big softball diamond, get straight A's, get three homeruns in softball, and to learn to do perfect anime art.

Nadia is 11 years old and in Mrs. Scanlan's class. She enjoys softball, guitar, performing arts, food, One Direction, music, and animals. Nadia said, "The best things about Emperor are the teachers and staff, fun activities and assemblies, library, and computer lab." The best thing that ever happened was hitting her first homerun in softball. Personal goals are to build a shelter for stray animals that could be adopted, to perform for someone famous, attend a good college, to get good grades, and make her family proud.

Melody is 11 years old and in Miss Parrille's class. She has a younger sister and enjoys art, making gifts for others, music, singing, and learning new things. Melody said, "The best things about Emperor are the Principal and teachers who make education possible, my friends and classmates, and the character qualities every student strives for." The best thing that ever happened was being a big sister and being a good example. Personal goals are to help others who don't have what she has, a common place where people would gather to share their ideas and talents, to have character, learn from her mistakes, and to be considerate and helpful to her family and friends.

Liliana is 13 years old and in Mr. Howard's class. She has two sisters and enjoys hanging out with her buddies, listening to the radio, visiting new places, and singing in the shower. Liliana said, "The best things about Oak Avenue are all the awesome and friendly students, the music department, and the teachers that make everything fun and exciting." The best thing that ever happened was riding in a limo for her grandparents' anniversary. If she could change one thing it would be stopping pollution on earth. Personal goals are to build a sanctuary for disabled or homeless animals, get straight A's, improve on the French horn, and to study harder on tests.

Jonathan is 12 years old and in Mrs. Joe's, Mr. Howard's, Ms. Lee's, and Mr. Bridges' classes. He has two brothers and enjoys swimming, soccer, and playing games. Jonathan said, "The best things about Oak Avenue are great teachers, daily events, and Oak is filled with nice people." The best thing that ever happened was getting his black belt after three years in Tae Kwon Do. Personal goals are to protect all the endangered animals, stop pollution, build a time machine, have a successful job, go to a great college, and have great friends that he can trust.
