THIS TUESDAY

Jerry Backstrom and Theresa D'Andria will give us information on KIVA loans. KIVA is a non-profit. They take your donations and distribute them to micro finance lenders all over the world. Those lenders disburse the money to entrepreneurs in third world countries, who pay back the loans in installments. You choose the specific entrepreneur to fund, and as they pay off the loan, the money you donated is returned to you. Stay tuned for this one.

LAST TUESDAY

Lindsay Youngquist is an AmeriCorps Volunteer for the Red Cross. She presented a slideshow of Station Fire in our foothills about 2 years ago. Jerry Backstrom besides being a good Kiwanian is also a DAT (Disaster Action Team) member of the Red Cross. The Red Cross respond to at least 1 residential fire in LA County providing assistance with housing and every day needs.

Guest of the Club included Wendell Beard, Bob Rodenbucker and Chiropractor Khoa Le.

CANCER RELAY FOR LIFE

Teams of people camp out at a local high school, park, or fairground and take turns walking or running around a track or path. Each team is asked to have a representative on the track at all times during the event. Relays are 24 hours in length; representing the reality that cancer never sleeps. By participating, you honor cancer survivors, pay tribute to the lives we've lost to the disease, and raise money to help fight cancer in our community. Event Schedule: April 16 Opening Ceremony: 10 AM Saturday, Survivors Lap: 10 AM Saturday, Luminaria Ceremony: 9 PM Saturday, Fight Back / Closing Ceremony: 10 AM Sunday

STUDENTS OF THE MONTH

We honored two outstanding students from Cloverly Elementary School and three from Emperor. Pictured with the proud students is Cloverly teacher Mrs. Sherry Boyd and Shelly Scanlan from Emperor.

Lauryn is 11 years old and in Mrs. Boyd's class. She has two older brothers and enjoys playing soccer and reading. Lauryn said, "The best things about Cloverly are my friends, the teachers, and learning new things." The best thing that ever happened was going on the 6th grade Catalina trip. Personal goals are to have a longer recess, build a bridge from her house to school, to work with a search and rescue team, learn to play the piano, and learn to surf.

Felix is 11 years old and in Ms. Carlson's class. He has a younger brother and enjoys playing video games, drawing, and reading. Felix said, "The best things about Cloverly are the computer lab, the big library and field." The best thing that ever happened was being invited to the Honor Recital for piano. Personal goals are to have everything free, build a generator for free electricity, get good grades, be a better person, and get a lot of Advanced Reader points.

Joanna is 11 years old and in Mr. Giangregorio's class. She has a younger brother and enjoys playing the guitar, basketball, drawing and reading. Joanna said, "The best things about Emperor are the teachers, library, and lunch." The best thing that ever happened was going to Disney World in Florida. Personal goals are to end global warming, build a time machine to change the past, get straight A's in all three trimesters, become a really good guitar player, and show her mom she is responsible enough to have a dog.

Susy is 12 years old and in Mrs. Scanlan's class. She has three brothers and sisters and enjoys playing soccer, swimming, baseball, eating chocolate, and hanging out with her friends. Susy said, "The best things about Emperor are going to Mrs. Dreyer's class and hanging out with Mrs. Scanlan." The best thing that ever happened was going to Knott's Berry Farm and getting wet. Personal goals are to change the school hours and her grades, build an amusement park, save for new things, and to do better in school.

Brian is 12 years old and in Miss Parrille's class. He enjoys reading. Brian said, "The best things about Emperor are the teachers, equipment, and Principal." The best thing that ever happened was going to his cousin's wedding. Personal goals are to end global warming, get good grades, do well in instruments, and write better.
