## THIS TUESDAY

I have heard Lt. Mark Stevens at least 5 times in the last several months. He is from the Cyber crime unit of Los Angeles County Sheriff's. He will tell you how to keep your business and home safe from cyber intruders. If you ever had your identity compromised you will want to attend to get tools and tips.

## LAST TUESDAY

Joe Castillo has been a familiar face around Temple City for many years. He is a historian and researcher writing weekly for the Mid Valley News.

His topic was The Fast Food Industry in Southern California. We have some of the top fast food restaurants in Temple City, including McDonalds and Subway. The term "Fast Food" was first used in 1951. In-n-Out hamburgers was started in 1948 in Baldwin Park by Harry Snyder. He was a visionary and pioneer with his drive-ins. He knew long before anyone else that people would be on the move and needed to get quality food fast. His motto was "Quality You Can Taste." Everything had to be fresh. He was the first to have a two-way speaker box for people to order.

The sign has not changed through the years. The arrow is always pointing to pride and quality. The only thing they have added to the menu in all these years is 7-Up. The sole owner of In-n-Out is granddaughter Lynsi Torres, not yet 30 and is worth 5 billion dollars.

In-n-Out has top quality employees that are paid more than anyone else in the fast food industry. Their employees are always courteous and neat looking.

The Altadena/Crown City Club will have their annual "Good Friday Community Breakfast" this Friday from 7:30 to 9:00 a.m. at Altadena Baptist Church, 791 E Calaveras St, Altadena. RSVP at 797-8970.

We will not be meeting at Denny's on Tuesday, May 27. Instead, we will meet on Thursday, May 28 at Wahibs Restaurant in Alhambra for a Division Interclub.

The annual Postal Letter Carriers' Food Drive will take place again on Saturday afternoon at 2 p.m.. We will be on hand to receive food items from the letter carriers as they come in. We will sort food along with our Key Club. We will then transport the thousands of pounds of food to benefit People For People.

Plans are well under way for our 75th Anniversary Celebration on Tuesday evening, August 12 at Santa Anita Golf Course. You will be receiving you formal invitation for this once in a lifetime event. Mark you calendar now. The next committee meeting is April 29 immediately following our meeting.

## STUDENTS OF THE MONTH

We honored an outstanding students from the Dr. Doug Sears Learning Center. Accompanying the student was CLC teacher Mr. Reggie Rios.

Ilene is 17 years old and is in Mr. Rios, Mr. Jahan, Mr. Patterson, Mr. KcKinnis, Mr. Acevedo, and Mrs. Robert's class. She has two younger sisters and enjoys painting, baking, gardening, hairstyling, ice skating, and acting. Ilene said, "The best things about The Learning Center is the warm, loving environment where friends are like family, liberty to express oneself through music and art, and the open-minded teachers who are also supportive." The best thing that ever happened was being chosen "Youth of the Year" for the Los Angeles Boys and Girls Club. If she could change one thing it would be stop adults from forcing children and teens to suppress dreaming and imagination. Personal goals are to be happy with herself and who she is, live comfortably and happy with her family, bring the "American Dream" back to life, and create a wonderland where everyone is free to imagine, believe, dream, wish, and be a child again.
