APRIL 29, 2014 TUESDAY 12:00 P.M. VOL. 75 NO. 32

THIS TUESDAY

Rich Wenzel will show a video on the Palm Springs Tramway and its history.

LAST TUESDAY

Lt. Mark Stevens is with the Commercial Crimes Bureau. He is a 32 year veteran with the Los Angeles County Sheriff's Department working Patrol, Detectives, Training and Custody. The last 3 years he has been assigned to the Fraud and Cyber Crimes Bureau. He has also served as Project Director of the Southern California High Tech Task Force for 18 months.

If it was the job of Lt. Steven's to scare us to death, he did a good job. Now I am afraid to go on the internet, use my credit card, buy gasoline, talk on my cell phone, and leave my house. Is there hope for us mere mortals? Mark teaches this stuff and he has had his identity compromised 4 times in the last 18 months. I knew this program was good when Elmer Black did not leave until 1:50 p.m..

I think we all agree that this is an excellent presentation that was somewhat rushed and not everything was covered. You have the opportunity to bring family and friends to the next Neighborhood Watch meeting on Thursday, May 8 at Westminster Presbyterian Church, near Camellia and Live Oak. Lt. Stevens will give his complete presentation. The event is from 5:30 to 7:30 p.m. with a free dinner at 5:30 and child care. Temple deputies will talk about crime trends and city staff will speak about Community Preservation.

We will not be meeting at Denny's on Tuesday, May 27. Instead, we will meet on Thursday, May 29 at Wahibs Restaurant in Alhambra for a Division Interclub.

The annual Postal Letter Carriers' Food Drive will take place again on Saturday afternoon, May 10 at 2 p.m.. We will be on hand to receive food items from the letter carriers as they come in. We will sort food along with our Key Club. We will then transport the thousands of pounds of food to benefit People For People.

Plans are well under way for our 75th Anniversary Celebration on Tuesday evening, August 12 at Santa Anita Golf Course. You will be receiving your formal invitation for this once in a lifetime event. Mark your calendar now. The next committee meeting is April 29 immediately following our meeting.

STUDENTS OF THE MONTH

We honored three outstanding students from Longden Elementary School. Accompanying the students was their teacher Mr. Bruce Bremer.

Nilo is 11 years old and has a younger brother. He enjoys playing soccer, football, and basketball. Nilo said, "The best things about Longden are my math and science classes, the teachers I have had during my years at Longden have been great and supportive." The best thing that ever happened was having his family together again. Personal goals are to stop hunger in the world, build a school for poor kids in the world to have an education like him, get into a good college, get better at math, and help his community.

Jason is 11 years old and four brothers and sisters. He enjoys playing soccer, basketball, bike riding, and repairing old cars. Jason said, "The best things about Longden are my teachers Mr. Bremer and Mr. Shahoian, and all my friends." The best thing that ever happened was progressing and getting better grades. Personal goals are to stop cancer, build a house, play football in college, and be a better person.

Tyler is 11 years old and enjoys running and playing Legos. Tyler said, "The best things about Longden are my classes, friends, and Ms. Chang's class." If he could change one thing it would be to have more patience. Personal goals are to build a truck, get a cool car, make new friends, and go to Oak Avenue in the fall.
