THIS TUESDAY

Irene Boscoe will give a presentation on Aged Living. OK, who was the person that told her what our club age demographics are?

LAST TUESDAY

Steve Masura has been on the job since the first of the year and has already made a significant impact upon Temple City. He is Director of the Community Development Department Temple City, overseeing the Planning, Building, Housing, Code Enforcement, and Public Safety functions.

Steve has gained extensive experience in planning and redevelopment while working for three other cities (Santa Fe Springs, Carson, and Huntington Park) and for a private sector planning consulting firm.

He holds two Master's degrees and a Bachelor's degree- Master of Urban and Regional Planning from the University of Southern California; Master of Business Administration from the College of William and Mary; and Bachelor of Science in Electrical Engineering from Lawrence Technological University. Steve has attained an AICP (American Institute of Certified Planners) professional certification from the American Planning Association.

Guest included Lisa Montesanti, Marie Leonard, and yet to be inducted Fernando Vizcarra. Prospective member Dr. Gabriel Marichi is having a Grand Opening on Saturday, April 30th from 11 till 2 at 9130 Las Tunas (which is next to you know who). Past President Steve Montesanti received his Distinguished President's Pin. We were able to contribute to First Lady Cheryl Millham for her project Hope For Kids. We will participate in the Postal carrier's food drive on Saturday, May 14.

MARYVALE ORPHANAGE

Our Kiwanis Club of Temple City undertook another service project to help children in the community. This one involves the Maryvale Orphanage in Rosemead. The club had members Ron Dorazio, Barbara Dorazio, Judy Lepore, Pat Wenzel and Rich Wenzel create pillowcases for the girls at Maryvale. We were fortunate enough to make 30 pillow cases, within five weeks, and hope that the girls will benefit from them. At Maryvale, we were met by Ejiro Ubiedi, who was thrilled to receive the gift. The pillow cases were given in honor of John Chandler who attended our meeting last Tuesday.

STUDENTS OF THE MONTH

We honored three outstanding students from Longden Elementary School. Pictured with the proud students is their teacher Mrs. Clarice Acosta.

Alma is 11 years old and has a younger sister. She enjoys reading, playing with her sister and hanging out with her friends. Alma said, "The best things about Longden are my friends, teachers, and Science." The best thing that ever happened was going to Mexico to visit her grandparents. Personal goals are to end all the wars, build a statue of herself, become an astronomer, get good grades all the time, and attend USC.

Winston is 12 years old and has an older sister. He enjoys playing video games. Winston said, "The best things about Longden are the excellent teachers, amazing playground, and fun classes." The best thing that ever happened was getting his PS3. Personal goals are to build a giant mansion for his family and friends, get straight A's for a final report card, improve in Math, and learn to edit videos.

Jacob is 12 years old and enjoys watching TV and playing video games. Jacob said, "The best things about Longden are my teachers, recess, and P.E." The best thing that ever happened was going to Universal Studios. Personal goals are to build a rocket for NASA to fly in outer space, be on the honor roll, to do better in Math, and to be good at sports.

KIWANIS KALANDAR

May 10 - Phyllis Howard will speak about Tech Trek Science Camp.

May 17 - To be announced.

May 24 - Wheelchair Woman of the Year

May 31 - Frank Deckon

QUOTE OF THE WEEK

"Why does the Air Force need expensive new bombers? Have the people we've been bombing over the years been complaining?" - George Wallace

See you Tuesday, Jerry
