PROGRAM TUE. MAY 6, 2003

Reliable Jim Enkelaar says, it will be:

James Trejo, account, manager with Edison, will talk about:

"ALTERNATE AND RENEWABLE ENERGY GENERATION"

Plus

Directors meeting at 5:30, City Hall.

Will our esteemed Board come up with our maximum leaders for the coming Kiwanis Year?

LAST WEEK

The County Fair video was in the repair shop but Linda did a good job without it. Jerry Jambazian observed that \$14.00 seemed to be a high admission price for week-ends. \$10 on week days. Children ½ price. Linda indicated that they expected 1.3 million average. Sounded like they will get what they think will fly. The fair runs Sept 12-28. Pat didn't improve Jerry's day when she gave away his new laminating machine. Laminated drapes will have to wait.

Ray Gudie recounted the recent adventure at senior Member R.E. (the Punster) Schulz who was at the wheel as he toured the church parking lot, ending up with crashing against a pillar of the church. Jerry Jambazian (here's that man again) that it wasn't seemly for a retired pastor to smash a pillar of the church. We need help at the post office collection drive on May 10 (see below). In case you didn't hear, Mike Lepore returned from a vacation. It was reported that the repainting of the Millham Field sign has been completed and it looks good. Chuck Shaw made a substantial donation in celebration of his birthday. He indicated he was hard at work, his happy duty requiring his group to attend a conference at Lake Tahoe.

THE FOOD DRIVE: HELP!

May 10 3:00 p.m. We need volunteers to be at the Temple City Post Office to sort groceries. If you can't be there just then, go late. The more we have the easier it will be for everyone.

BIRTHDAY

May 8 Past Pres and Senior Member, Gordie Howard.

WHY DID THE CHICKEN CROSS THE ROAD?

George W. Bush: We don't really care why the chicken crossed the road. We just want to know if the chicken is on our side of the road or not. The chicken is either with us or it is against us. There is no middle ground here.

Al Gore: I invented the chicken. I invented the road. Therefore, the chicken is designed to bring greater service to the American people.

Hanz Blix: We have reason to believe there is a chicken, but we have not yet been allowed access to the other side of the road.

Mohammed Aldhourri (Iraq Ambassador): The chicken did not cross the road. This a complete fabrication. We don't even have a chicken.

Ralph Nader: The chicken's habitat on the original side of the road had been polluted by unchecked industrialist greed. The chicken did not reach the unspoiled habitat on the other side of the road because it was crushed by the wheels of a gas-guzzling SUV.

Pat Buchanan: To steal a job from a decent, hard-working American.

See you Tuesday,
