THIS TUESDAY

Steve Terry, former football coach now President of Temple City Sister Cities Program will speak. Did you know we actually have two Sister Cities?

LAST TUESDAY

Rich Wenzel was showed a brief snippet of the history of the Palm Springs Tramway. The twelve-and-a-half minute ride begins at the Valley Station at 2,643 ft and passes up North America's sheerest mountain face through five life zones (biomes) on its way to the Mountain Station at 8,516 ft above mean sea level. Travelers start in the Sonoran Desert and arrive at an alpine forest.

The floor of the 18-foot-diameter aerial tram-cars rotates constantly, making two complete revolutions throughout the duration of the journey so that the passengers can see in all directions without moving. With a maximum capacity of 80 passengers it is the largest of the three rotating aerial trams in the world. The other "Rotair" aerial trams are located in Cape Town, South Africa and Titlis, Switzerland.

NEWS and OPPORTUNITIES

Plans are well under way for our 75th Anniversary Celebration on Tuesday evening, August 12 at Santa Anita Golf Course. You will be receiving your formal invitation for this once in a lifetime event. Mark your calendar now.

Rich Wenzel is heading up Meals of Love for Ronald McDonald House again. It will NOT be on May 7 due to a scheduling conflict. It will be Thursday, May 8 at 4 p.m.. The theme is chicken with the main dish by Dave Seltman and Dan Snell, Salad by John Gera and Ron Dorazio, Bread by Rich Wenzel, Dessert by Sue Matchett and Steve Montesanti, Drinks by Chuck Shaw. Reminder: Sodas are on sale 4 for \$11. Buy some for yourself and for our Barbecue in July.

We will not be meeting at Denny's on Tuesday, May 27. Instead, we will meet on Thursday, May 29 at Wahibs Restaurant in Alhambra for a Division Interclub.

The annual Postal Letter Carriers' Food Drive will take place again on Saturday afternoon, May 10 at 2 p.m.. We will be on hand to receive food items from the letter carriers as they come in. We will sort food along with our Key Club. We will then transport the thousands of pounds of food to benefit People For People.

Dan and June Snell have traveled to Colorado to see their great granddaughter in a play. Sick list includes Mike Miller and Ron Dorazio. Mike is recovering from "knee"monia and Ron recovering from the real pneumonia. Lisa Montesanti had half her thyroid removed with a few complications but she is doing well now.

STUDENTS OF THE MONTH

We honored six outstanding students from Longden Elementary School. Accompanying the students was Emperor teacher Mrs. Shelly Scanlan. Interim Superintendent Kathy Perini was also on hand for the award presentation.

William is 12 years old and in Mrs. Scanlan's class. He has a twin brother and enjoys water polo and playing video games. William said, "The best things about Emperor are the great teachers, awesome students, and the great activities." The best thing that ever happened was receiving 2nd place in the nation for his water polo team. Personal goals are to build a time machine, go to USC, get better at water polo, and get straight A's.

Jasmine is 11 years old and in Miss Parrille's class. She has an older brother and enjoys drawing, swimming, singing, and hanging out with her friends. Jasmine said, "The best things about Emperor are the super helpful staff, my wonderful friends, and the amazing assemblies." The best thing that ever happened was receiving Student of the Month honors. Personal goals are to stop world hunger, build a large Hello Kitty, keep getting straight A's, get into a good college, and become a world renown artist.

Cady is 11 years old and in Mr. Giangregorio's class. She has an older brother and enjoys figure skating, reading, drawing, and studying for tests. Cady said, "The best things about Emperor are the amazing kind and educated teachers, the entertaining assemblies, and my kind, affectionate, and funny friends." The best thing that ever happened was adopting her dog Coco and passing her Certificate of Merit for piano. Personal goals are to end world hunger, have world peace, build a homeless shelter, get straight A's, spend more time practicing the piano, and making her parents proud.

Sarah is 12 years old and in Mrs. Scanlan's class. She has a younger brother and enjoys dancing and swimming. Sarah said, "The best things about Emperor are the fun activities, and they will make me a great person." The best thing that ever happened is knowing she has friends she can count on. Personal goals are to help her dad a little more, build a mall for shopping, to finish school, go to college, and become a teacher.

Charmaine is 12 years old and in Miss Parrille's class. She has two younger sisters and enjoys collecting globes and being loud and crazy. Charmaine said, "The best things about Emperor are the teachers not only care about academics, but character. Everyone helps each other, the teacher are not boring." The best thing that ever happened was moving here from Hong Kong and my friends. Personal goals are that homeless people have enough to eat, a machine to help repair part of the ozone layer, to remain a kid, work hard and go to a good university, and do more chores.

Hannah is 11 years old and in Mr. Giangregorio's class. She has two older brothers and enjoys soccer, reading, history, weaving, and playing Clash of Clans. Hannah said, "The best things about Emperor are the friends I have made there, the fun assemblies, and P.E." The best thing that ever happened was getting straight A's on her report card. Personal goals are to have no more wars, build a school, get straight A's each year, make varsity soccer in High School, and become better at drawing.
