THIS TUESDAY

Gladys Olberholtz who secured a grant from the Huntington Library used to create a garden at TCHS, built by and for blind students.

LAST TUESDAY

We were treated to a arm chair tour of Germany through the lens of our program chairman, Matt Smith. This was Matt's 3rd trip to Germany with Super TCHS German teacher Judy Graunke. Judy usually takes about 35 students on the tour.

The per student cost of the trip is \$2,300. During the day the students are required to speak German only. They can speak English when they return to the hotel in the evening. The scenery and architecture were spectacular. The students are always well behaved on the trips. We are fortunate to have a world class teacher like Judy Graunke in the District.

Little known fact: The Teddy Bear was born in Germany and comes from former United States President Theodore Roosevelt, whose nickname was "Teddy". The name originated from an incident on a bear-hunting trip in Mississippi in November 1902.

Guest in attendance were prospective member Teresa D'Andria and City Council member Vincent Yu. Matt Smith celebrated his first year of membership. Board of Directors voted to donate \$500 to the city for the bust of Walter Temple which will be dedicated later this month. Also \$50 to sponsor Michelle Ford for her Walk For Life. Please remember Chuck Souder who just needs to feel better and Jerry Backstrom who is having prostrate cancer surgery Friday morning.

STUDENTS OF THE MONTH

We honored four outstanding students from Oak Avenue Intermediate School. Pictured with the proud students are Oak teacher Mr. Robert Westgate and School Counselor Mrs. Donna Cleman.

Kenny is 14 years old, has an older sister and enjoys playing the guitar and basketball. Kenny said, "The best things about Oak are the teachers, my friends, and sports." If Kenny could change one thing it would be to speak more Chinese to his sister. Personal goals are to increase his guitar picking speed and coordination, to stop procrastinating, and to develop a good jumpshot in basketball.

Nathalie is 13 years old, and has a younger sister and enjoys reading, writing, music, piano, blogging, travel, photography and art. Nathalie said, "The best things about Oak are the electives, extra-curricular activities, and the teachers." The best thing that ever happened was becoming senior editor of the Oak Avenue yearbook. Personal goals are to become a best selling author, attend a university in Sydney, Australia, and to finish her novel by age 20.

Ty is 14 years old and has 3 younger brothers and sisters. He enjoys computers, reading, and drawing. Ty said, "The best things about Oak are the teachers and staff, the orchestra, and the great education." The best thing that ever happened was going on a road trip to Washington with his father. Personal goals are to see that every child be given the education they deserve, build an international hospital system, do well in school, become a better musician, and to become closer to God.

Annaka is 12 years old and has a younger brother and sister. She enjoys playing the piano, babysitting, reading, biking, arts and crafts. Annaka said, "The best things about Oak are the great teachers and staff, the clubs and organizations, and making lots of new friends." The best thing that ever happened was her little brother and sister being born. Personal goals are to create a "no cussing club" at Oak Avenue, build a day care center, continue to get good grades, and to get the Young Women Recognition Award from her church.

POSTAL FOOD DRIVE

This Saturday, May 8, 2010, is the postal carrier food drive where mail carriers bring to the post office donated food items for the local food bank.

We need volunteers to meet at the post office located on Oak Street in Temple City to sort food items and transport them to People For People. We need people from 12:00 noon to completion approximately 6:00 p.m. The trucks and food come in waves at various times and there will be periods of inactivity. I suggest two hour shifts with emphasis between 12:00-2:00 and 3:00-6:00.

Mike Miller reports that this was a project that was closely monitored by Bob Tyler and Jim Enkelaar. We need the extra help this year for this worthwhile "hands-on" and fun project.

KEY CLUB WINS TOP HONORS

The following is provided by Stella Yuan, TCHS Key Club President. At the recent D-Con Key Club Conference in Sacramento the following awards were presented: District Tree Award, Outstanding Website, Stella Yuan: Outstanding President, Regina Luk: Outstanding Vice President, Kristi Hsiao: Outstanding Secretary

We are extremely fortunate to have such an active Key Club.
