## LAST TUESDAY

Temple City Community Development Manager Joe Lambert brought revised plans of the "on-again, off-again" Piazza Project. No one dared look at them.

The project has been stalled by a bad economy, poor design, broken promises, two ground-breaking extravaganzas, a housing element that nobody wanted, and just plain old inexperience by the developer.

The project was scheduled to be completed by August 2009. Lawsuits were filed by both sides, grand jury testimony was taken, armed officers visited several council members. Temple City was once again touted as the city that could just not make it happen.

Alas, we have two new council members along with a redevelopment team and a mission to bring new commercial life to Temple City. We have one of the most desirable corners in the SGV at Las Tunas and Rosemead. I hope a settlement can be reached to avoid a protracted court battle and expense.

Notes: Club elections for the new fiscal year will take place on May 19th. Get your tickets for the Barbecue this Tuesday.

## WELCOME MATT SMITH

We inducted our newest member. Matt Smith is a 11 year member of the Board of Trustees of the TCUSD. He is a technical sales manager with AT&T working in Los Angeles. He is married to Janet, they have 3 grown sons. Matt also enjoys riding his Harley Davidson. Matt would like to support community activities, Key Club, major emphasis projects, and education. Matt and Janet are always involved in any activity that supports the school district. Welcome Matt!!

## POSTAL CARRIER FOOD DRIVE

This Saturday, May 9th, volunteers are needed to sort can, dry and bottle goods and food to be delivered by our postal carriers. Our club will rent a truck and deliver the food to People For People in San Gabriel. Key Club and High School volunteers will be there too. Food will be delivered in waves between 12:00 noon and 6:00 p.m., especially 3:30 to 5:00. People For People has been the emergency food pantry for the San Gabriel Valley for over 25 years. They are looking for a 6,000 sq. ft. warehouse space for food storage at no or little cost.

## STUDENTS OF THE MONTH

We honored two outstanding students from Cloverly Elementary School. Accompanying the students was 5th grade Cloverly teacher Mrs. Marilyn Nassif.

**Jordan Wilhelm** is 11 years old and in Ms. Tenneys' class. Jordan enjoys playing guitar, singing, dancing, playing soccer, traveling, surfing, and robotics. Jordan said, "The best things about Cloverly are lunch on the lawn, everyone is friendly, and the teachers make learning fun." The best thing that ever happened was being a princess on the Camellia Festival Royal Court. Personal goals are to build a huge roller coaster powered by solar and wind energy, go to BIOLA or UCLA, have a good career, and write her own music.

**Sharon Wu** is 11 years old and in Mrs. Carlson's class. Sharon has an older sister and enjoys drawing. Sharon said, "The best things about Cloverly are the fun activities, short breaks, and the teachers make learning easier." The best thing that ever happened was when she got a medal for school. If she could change one thing, it would be to change some things that run on gas to run on renewable resources. Personal goals are to power lights by solar energy, get into a good college or university, get better at art, improve her grades, and travel around the world.
