MAY 12, 2015 TUESDAY 12:00 P.M. VOL. 76 NO. 32

THIS TUESDAY

San Gabriel Pediatrician Dr. Royce Foster will tell us how many of his babies became adults. Royce is a long-time member of the San Gabriel club and cousin to Jackie Millham.

LAST TUESDAY

Monica Hong is a sales representative with the South Pasadena Review and Quarterly Magazine. The South Pasadena Review has established a loyal readership and served the community of South Pasadena since 1888, as the best source for local news including schools, sports and city government. The newspaper is delivered by mail to approximately 4,000 readers.

The Quarterly Magazine celebrates its 29th year of publication. The high quality magazine, known for its beautiful photography, provides readers with fascinating and informative articles on people, places and activities in the San Gabriel Valley and beyond. They print 40,000 copies every 3 months.

We will have our annual Postal Food Drive this Saturday on Oak Avenue Post Office from 1-4 p.m.. We could use your help sorting and transporting as the postal carriers bring in the food items.

Public Schools Recognition will take place on Monday, May 11 from 5:45 to 6:30. Emperor Elementary School is the venue with hot grillers Rob Rodenbucher, Ron Dorazio, Rich Wenzel, Steve Montesanti, and Jim Robuck. Please plan to arrive early.

MAY ANNIVERSARIES AND BIRTHDAYS

Dan Arrighi celebrates his birthday on the 30th. No one decided to get married in the merry month of May. Club Anniversaries include Fernando Vizcarra on May 3, 2011, Matt Smith on May 5, 2009, Sue Matchett on May 15, 2007, Tom McIntee on May 20, 2008, and Jim Robuck on May 30, 1984.

STUDENTS OF THE MONTH

We welcomed four outstanding students from Oak Avenue Intermediate School. Accompanying the happy students were their teachers Mr. Andrew Villegas and Mrs. Jessica Goold.

Sydney is 12 years old and has a younger brother. She enjoys dance, violin, writing, music, reading, and friends. Sydney said, "The best things about Oak Avenue are the great teachers, orchestra, and field trips." The best thing that ever happened was going to music camp, having her first audition, and staying in a cabin with other girls for a week. If she could change one thing, it would be to have happier news on TV instead of all the depressing news. If she could build one thing it would be a time machine to revisit her happiest moments and figure out history's greatest mysteries. Personal goals are to audition for the Pasadena Youth Symphony, be in the high school auxiliaries, and do well in all her classes.

Leo is 13 years old and has a younger brother and sister. He enjoys biking, swimming, and watching YouTube videos. "The best things about Oak Avenue are the nice and funny teachers, the many different electives, and the bully-free environment." The best thing that ever happened was receiving a gold medal for the highest Math score in the 6th grade. If he could change one thing, it would be no earthquakes in California. Personal goals are to develop technology that does not hurt your eyesight, get straight A's, go to a good college, and get a job he likes.

Shannon is 14 years old and has a younger sister. She enjoys Anime, art, music, and computer games. Shannon said, "The best things about Oak Avenue are the enthusiastic staff, the enjoyable activities, and the music program." The best thing that ever happened was taking a week-long cruise to Alaska and meeting friends from across the country. If she could change one thing, it would be that everyone be treated equally and not bullied for who they are. Personal goals are to build a shelter for those who have lost everything, become an animator and create her own anime or cartoon, improve her art and post drawing tutorials on the internet, and learn and speak Japanese fluently.

Eddie is 13 years old and has a younger sister. He enjoys reading, drawing and creative writing. Eddie said, "The best things about Oak Avenue are the really good music program, the fun classes and educational activities, and there is not a lot of homework." The best thing that ever happened was moving to Temple City, making tons of new friends, and having a better life. Personal goals are to build a time machine to go back and make the best decisions, have more money than he can spend, visit Japan, and be someone that others can look up to.
